OBJECTIONS to the Methodist Class Meeting Answered: a Book for Hearers & Mem-

bers. By John Bate, author of Class Leader's Assistant, &c. "We regard this as an admirable pamphlet, incomparably the best thing of the kind we have ever met. It circulation just now must do immense good. Our Leaders cannot do better than purchase some hundreds of this pamphlet, and give em to their members."-Irish Evangelist. "Each of the Objections is calmly and fully discussed, and an overpowering weight of evidence brought to dispose of it. We trust that all who are hesitating to join the church because of any of varied objections here considered will peruse Mr Bate's small and inexpensive but comprehensive

treatise."—Methodist Recorder.

THEY never fail to act when properly used and are CERTAIN to exterminate any of the different species of Worms which inhabit the different parts of the intestinal canal,

They do not contain Calomel. VEGETABLE and therefore SAFE. They act on the VORMS only, producing no other constitutional effect than that which would follow a dese of SENNA, CASTOR OIL or SALTS.

In the treatment of WORMS the principal indication is the EXPULSION of the Worms from the Bowels. This may be fuffilled in some instances by active Purgatives, which expel by increasing the peristaltic action of the bowels, or by Anthelminities, which favor their expulsion through the ordinary contraction of the bowels by distroving ordinary contraction of the bowels by destroying them, or rendering them less able or less dispe
