## BIG BOOK COMPANY FAILS

**The Union Book Company has failed!** One of the greatest publishing houses in the United States has gone into the hands of the receiver. Creditors are clamoring for their money and must be satisfied at once. In order to meet these demands, the receivers have decided to throw on the market the entire edition of the famous **LIBRARY OF UNIVERSAL HISTORY**, published by the above company, at less than half price.

The above telegram tells the whole story. Every volume of the remaining sets of this remarkable work is in our hands and must be disposed of immediately. In order to accomplish this, we have decided to make the most remarkable offer ever known in the entire history of the publishing business—an offer of the famous **Library of Universal History**, the best known and most authoritative history ever published, at less than half price. Merely send us the Coupon. Do it today.

**Remember** this is the genuine **Library of Universal History**. Complete in 15 massive volumes, each 10 inches high, 7 inches wide and 2 inches thick. The binding is the very finest quality of genuine English Buckram, exactly the same as is used in the finest "De Luxe" editions. Every set, every volume, every page, is guaranteed to be absolutely perfect, and not scratched, marred or damaged in the slightest degree. The lettering on the bindings is solid gold, not gilt, but gold, which never tarnishes or grows dim and faded. There are over 5,000 pages of solid reading matter, printed on the finest grade of heavy book paper, from large, clear, new type. The work is splendidly illustrated, besides containing over 700 magnificent full page illustrations, many of them in colors. This name among histories is the same as Webster's among dictionaries—the very highest, the final authority.

The **Library of Universal History** stands in a class alone. There has never been another like it. There never will be such another. Most histories are simply a collection of names, dates and dry and uninteresting facts. The **Universal** is the **Life-Story of the Human Race**, from the earliest dawn of history right down to the present day, told in such vivid, compelling fashion that your attention is riveted and held more strongly than by the most powerful novel. The descriptive powers displayed are wonderful. As you read the thrilling narrative, it is as though you were watching the most stupendous events of the great World-Story, unrolled by magic hands on a screen before your very eyes. You see our earliest ancestors, more brute than human, struggling for their very existence among the strange, terrible dangers of the young world. Watch the branching out of the different races; their development of civilizations and government. You live with the pyramid-builders of far-off, mystic Egypt. Cross the Rubicon with Caesar's mighty, never-conquered cohorts, and fight again with them the battles that have changed the destiny of nations; all "the glory that was Greece and the grandeur that was Rome" are spread before you. You see Napoleon as he takes his final parting from his beautiful and beloved queen, Josephine; you hear him as he answers her frenzied pleading with the deathless words: "My destiny and France demand it." Follow him to Waterloo and stand beside him on that awful day as his proud army and all his hopes are crushed and beaten by the Iron Duke, Wellington. All the nations, all the peoples of the ancient and modern world pass before you in one great, gorgeous pageant. You can know the great men and the warriors of all the ages, the colossal world figures of all times as you know the rulers and statesmen of the present day. Mail the coupon now. Don't delay. Do this at once.
