

A Good Thin Soup

is more easily digested and assimilated than any other food. It must not be watery—it must not be greasy. **WHITE LABEL Consomme** is the perfection of thin soup. Each quart can represents five pounds of choice lean beef, ensuring the strength that no homemade soup possesses. Examine it: no particles of grease float on the top—it is acceptable to the most delicate stomach; put it in a glass vessel and read a newspaper through the Soup—it is clarified as no home made soup can be. Consomme for convalescents. Thick soups for the strong and healthy. We make twenty varieties, each absolutely correct.
