Horse-power and dollar-power find maximum working power in the Ford. Winter's bad roads have few terrors for the Ford—because it has more power for its weight than any other car. An order now insures an early delivery.

Think of it—nearly 200,000 Fords have been sold and delivered. New prices—runabout \$675—touring car \$750—delivery car \$775—town car \$1000—with all equipment, f.o.b. Walkerville, Ont. Get particulars from Ford Motor Company of Canada, Limited, Walkerville, Ont., Canada.

## HOLT CATERPILLAR TRACTOR

We want you to know more about the Caterpillar, because, if you are looking for a traction engine to replace the horses on your farm, the Caterpillar will do it; and we know you will be interested in finding out more about it, especially as to how it has actually worked in the field. It will work wherever horses can, and oftentimes in places that are too soft and muddy for them. One owner freighted a mile through a slough this last spring where teams had to go five miles around. Then, too, it won't pack the ground, and so is a most practical tractor for seeding. If you will fill out the coupon we will be very glad to send you a catalogue.
