chains. He appears to have refused to give his altimatum in writing. Mr. Clay assumed a very decisive tope, which that the effect of alarming the Government; but I believe they came to the resolution of addressing a note to Mr. Clay, to the effect that no such ultimatum could be submitted to the Council of Ministers, unless he presented it in writing,

Whitehall up Constitution Hill, his horse stilden-ly shied at something passing, kicked up his hoels, and threw Sir Robert over his head on his faces. Although rendered insensible by the fall, Sir Robert retained hold of the rein, and the animal, being thus checked, lost his footing and fell hea-vily upon the top of the Baronet. I hear the Popo's nuncio has informed Count Alternative different claims of ancient date are press-ing; he refuges all proposals for arbitration, and in a manner indicating the possession of ample powers and instructions from the Department of State at Washington; it was also reported that Mr. Clayton, of the Department at Washing. Ind shown an equal disingliarion to treat with Sir Henry, Bulwer, or to hear any explanation of facts relating to some of the claims arising from the distribution of the Amorican criming from the distribution of the Amorican criming from the destruction of the American cruiser General Armstrong, in the Port of Fayal, by a British force in 1814.

The Lisbon Correspondent of the London Times says, "I hear that the Nuncio has informed Count Joyal, that he, with the Russian and French mi-nisters at this point, will be ready to use their good offices of mediation shou'd Mr. Clay the Ameri-

cau minister proceed to coercive measures." Accounts of the 23rd say, that Mr. Clay had sont in his ultimatum to the Government, and that if his demands were not complied with in 20 days, he would demand his passport.

GERMAN EMPIRE.

Great modification in the tariff is proposed. It is said there will be a reduction of duty on grain, butter, freewood, and tallow; and that the tarif on Rio coffee will be reduced one-half, while hea incounced. In the House of Lords on Monday night, the yara, and that the duty on tobacco will be increased

RUSSIA, ETC.

Coveniment was that the franchise should be re-gulated by an £S qualification, and Lord Stanley proposed an amendment, that the qualification be £15 instead. The amondment being carried, and been signed between Denmark and Prussia.— the principle of the bill destroyed, Government Reports are current that the Emperor of Russia.

PRUSSIA AND DENMARK.

The Schleswig difficulty between Prussia and Denmark, has been satisfactorily adjusted.

ARRIVAL OF THE ATLANTIC. From Liverpool July 10th.

The American steamer Atlantic arrived at New York on Sunday morning, at 4 o'clock. The best passage on record-namely, 10 days and 15 hours from dock to dock.

The demand of the American Government on Portugal continues to excite attention. -

The Berlin papers are filled with comments on the Danish treaty. No party in Germany seems satisfied with it.

-A man named Mr. Alfred Walker was arrested to be Brice Island instead of Maria Island. FRANCE. From France there is nothing of special impor-was his Intention to sheet the President. He is
