Protecting the Publisher. A newspaper law has been passed which in a measure protects the publishers of newspapers from being defrauded out of back subscriptions. Frequently cases come before the publishers where persons canceling their paper, but incidentally "forgot" to pay arrears of subscription. Under the new law, however, the publisher can continue to send his paper (even if refused) until such time as said arrears have been paid.

## Fear of Influx of Non-Saxon Stock Becomes Serious Problem in West

[Canadian Press Despatch]

WINNIPEG, August 27.—Delegates are arriving from Western dioceses for the opening tomorrow afternoon of the triennial Anglican Provincial Synod.

This synod is likely to prove historic in the development of the Anglican Church of Western Canada. The progress of the West in material things presents its demands to the church and calls for important readjustments. Thus resolutions will be presented on behalf of the two dioceses of Rupert's Land and Calgary asking for their division and other reflection of the peculiar problem of the West is furnished by the resolution of Principal Lloyd to the effect that the synod views with considerable concern the increasing foreignization of Canada, and asking that an effort should be made to discourage this influx of non-British and non-Saxon stock.

A pastoral address will be delivered by Archbishop Matheson, primate of all Canada, to the assembled clergy and laity at St. John's Cathedral tomorrow morning. Among those present will be the bishops of Qu'Appelle, Calgary, Saskatchewan, Athabasca, Yukon and McKenzie.

AND TAKE NOTICE that at the expiration of ten days the said Company will proceed to exercise the rights of expropriation and all other rights conferred upon them by the said Railway Act, of which all persons interested are hereby required to take notice.
