

## How Many Dishes Can You Make With Ham

Duff's Horse Shoe Brand Sugar Cured Ham is the basis for many savory dishes. Baked, boiled, broiled or fried—served hot or cold—it is delicious.

It is juicy, tender, easily sliced and delightfully flavored. Duff's Special Cure by carefully preserving the natural juices of the meat insures this. It must be tasted to appreciate its appetizing goodness.

Your butcher and grocer have it or can get it from us—to-day.

## Bootleggers and Whiskey Smugglers are Disgracing Canada

**On April 18 Abolish Importation by voting YES**

Since January 1, 1920, thousands and thousands of gallons of Whiskey, Gin, Brandy and High Wines have been shipped into Ontario.

Express shipments alone for a long period averaged four to six cars per day, and have run as high as eight!

Four car loads a day means at least 19,200 quarts daily, or over 5,000,000 quarts per year. And yet the people of Ontario voted to make prohibition the permanent law!

This imported "Booze" is the stuff which enables the "Bootlegger" to carry on his illegal trade, and allows "Run Runners" and "Whiskey Smugglers" to disgrace Canada.

Officers of the law are set at defiance.

Read what the Chairman of the Board of License Commissioners says himself.

### Importation Makes Law Enforcement Difficult

"After an experience in the administration of the Ontario Temperance Act covering the period from its first coming into force in September, 1916, I am in a position to state that importation is seriously hampering its effectiveness. The War Measures Act was repealed in January 1920 and the Dominion Orders-in-Council under the Act were rescinded. Heavy shipments of liquor into the province began at once. The number of cases of breach of the Ontario Temperance Act have increased in even greater proportion."—From a Statement by the Chairman of Board of License Commissioners for Ontario.

#### I Am a Drop of Water

When I was in a cloud I moved to a mountain. I got cold and I fell to a little creek on the mountain-side. I flowed down and soon came to a river a long time after. I went around so many curves and over water falls that I thought it would be the end of me. I flowed in a smooth quiet river. Then all of a sudden I came to a dark place. My friends and I were dashed in the spokes of a great wheel. We soon came out in a broad river and there was a village beside the river. There were a number of ships there. My friends said we would be soon to the sea and we soon did. Then we had no rocky shores to dash against and we were happy ever after. One day a long time after Mr. Sun drew me up to the clouds. My friends and Mother Cloud said "You little rain drops, must go to earth."
