KLONDIKE NUGGET.

A NEW METHOD REQUIRED.

Upwards of 100,000 men are on strike in the United States, some of them demanding higher wages of their employers, others requiring recognition of variety of different reasons.

The effect of this industrial upheaval cerned. is being felt over the entire country, the industries of which are being crippled, in some instances to paralysis. The ultimate result is certain to be a reaction from the condition of prosperity which has prevailed for sev- designed more especially as a room of and woe betide the unlucky yachtsman eral years in the States. A period of mining reference and will contain a who ignorantly allows his craft to financial depression similar to that cabinet of samples of ore from all ground upon the shingle banks on bitter war now being waged.

strike now in progress in San Francisco prise in this country. Three years ago of all praise. To keep down the local shipping is tied up, and hundreds of it started in a place 12 feet square and rates it has been decided by that body farmers and fruit growers are deprived now taking in the various departments that, wherever it is possible, any muof the privilege of sending their proof the privilege of sending their pro-duce to market. Their crops, upon duce to market. Their crops, upon which their entire income depends, are room rotting in the fields, while the strikers and their employers are endeavoring to Anderson Bros., the well known it is evident that this is no case of of the pastor, Rev. It appears, therefore, that the finest stock of painters' and ortists' public generally is suffering by reason difficulties between labor and capital

upon the public at large. The strike as a method of determin- Canada, ing the merits of a dispute between labor and capital is unsatisfactory and unjust, for the chief sufferers are often those who have no immediate interests at stake and in most cases the striker himself reaps no advantage.

Some system of compulsory arbitration by which such difficulties could be presented before, and ajudged by & Alvin, J. R. Wood, city; B. Baird, a properly constituted, board would seem to all the emergency. The very fact that strikes are an existing reality largely disproves our boasted claim to enlightened and advanced civilza-

RUSH YOUR FREIGHT. The season of open navigation is in Albia, which can be sold at once, rapidly drawing to a close. The railroad company ceased issning through bills of lading more than a week ago Goetzman's. and all shipments subsequent to that date are accepted at risk of shipper. There will probably be five or six weeks yet of open navigation but the White Pass has taken nearly all its boats out of commission and consequently is in a position to handle only

a limited amount of freight. These facts should be taken into immediate consideration by everyone who hopes to have freight sent to Dawson before the close of navigation. It has invariably occurred at the end of the shipping season that a large amount of freight has been left in the warehouses at the upper and of the river or stranded high and dry at different points be-

same condition will prevail again this Should there be anything in the nature of a rush for freight accomm

dations, a blockade is certain to occur. It will be well, therefore, for every one who hopes still to receive freight, Have More Powers Than Formerly to rush their orders without delay.

There may be other placer mining camps on the Yukon valley but the e are none like the Klondike. The truth of this statement is clearly demonstrated by the fact that people are leaving Nome and other lower river points for this town with the hope that they
