

BALD SPOTS Without help, a bald spot never grows smaller. It keeps spreading, until at last your friends say, "How bald he is getting." Not easy to cure an old baldness, but easy to stop the first thinning, easy to check the first falling out. Used in time, baldness is made impossible with AYER'S HAIR VIGOR. It stops falling, promotes growth, and takes out all dandruff. It always restores color to faded or gray hair, all the dark, rich color of early life. You may depend upon it every time. It brings health to the hair.

The world is only a big circus after all. Some in lowly positions drive tent pegs, others higher up win the applause from the trapeze of public life. More command fear and respect as the lion tamer of commerce, while others make monkeys and donkeys of themselves.

The Whole Story in a letter: Pain-Killer (PAIN EXPELLER) From Capt. F. Love, Police Station No. 5, Montreal: "We frequently use PAIN-KILLER for pains in the stomach, rheumatism, stiffness, neuralgia, sciatica, cramps, and all affections which afflict men in our position. I have no hesitation in saying that PAIN-KILLER is the best remedy I have ever used."

The Aberdeen Beach concert Wednesday evening was well attended. The 78th band of Windsor was the drawing card. This popular resort is becoming well known as a pleasure ground and bathing place, and Mr Shaw is making extensive preparations for his large summer patronage. The beauty of the beach and good bathing accommodations make Aberdeen Beach hard to beat.

W C Balcom's new vessel on the stocks at J B North & Son's yard is being rushed along in good style. The side timbers (not being a sail-or do not know technical name) are all in position and the construction work is being done by a large number of men engaged, under the supervision of Master builder Nelson Pearson.

The fine schooner Theta, launched last month by Capt. Rodman Pratt, Cheverie, which sailed with a cargo of plaster for New York, went ashore near Providence, Rhode Island. The vessel was loaded with plaster from the quarries of Mr. Burgess at Cheverie, and not from Windsor as an exchange states. Capt. Pratt went on to look after his vessel. Fortunately very little damage was done, and the Theta is reported having arrived at Providence. The vessel was one of the best launched from Capt. Pratt's shipyard, and he is to be congratulated that the accident was not serious.

CANILL—ELDER WEDDING

On the afternoon of Tuesday, June 25th, the Baptist church Hantsport was the scene of a beautiful wedding, the marriage of C. Walter Canill, Esq. of Sackville, N. B. and Miss Susie P. Elder, of Hantsport.

The church was prettily decorated with June flowers, and crowded with relatives and friends of the contracting parties. At 2 o'clock the appointed hour, the wedding party arrived at the church. The ceremony was performed by pastor G. W. White. The bride was handsomely attired in a costume of mauve satin, trimmed with cream lace, and was attended by Miss Annie S. Fitch of Wolfville and Miss Ella Smith of Hantsport, dressed in cream poplin gowns. Miss Mary June Davison presided at the organ and played softly during the entire service. The choir rendered the hymn: "How Welcome was the Call," after the ceremony was concluded.

The ushers for the auditorium of the church were members of the bride's former Sunday school class. Misses Adria Coalfield, Gertie Robinson, Hattie Mumford, Ethel Lawrence Principal Shields and S. A. Marchant were ushers in the vestibule.

A reception was held at the residence of Dr. Wm. Elder on Avon street, which was largely attended by guests from Wolfville, Kentville and other towns.

The bride's presents were numerous and costly, showing the esteem in which she was held by her acquaintance.

Mr. and Mrs. Canill left on 6.35 express for Wolfville and points west on their wedding tour. After their return they will reside in Sackville.

We join in with a host of friends in wishing Mr. and Mrs. Canill a happy wedded life.

HANTSSPORT'S CELEBRATION OF THE 1st.

Dominion day dawned fine and everything, with the exception of wind and dust was agreeable for a good day's parade and sport. The first event on the program was the parade of school children, under the charge of their respective teachers. Headed by the brass band, they marched in fine order up the street, the boys carrying flags and the girls all dressed in white having a long wreath of daisies over their shoulders.

The calithumpian next formed on Foundry street, Thos. Morgan being chief marshal, assisted by Edward Coon and Eddie Masters. The floats and representations were varied from some of the most beautiful creations to some of the most ridiculous. Some of those shown were, John Bull, a very good Johnny it was too, with the lion and all the fixings. This was gotten up by J. B. North & Sons.

Britannia and her family was something fine and the beauty of design and color was excellent, showing good talent in the make up. Miss Nellie Lawrence was Britannia, seated on a throne, with John Bull and a bevy of girls representing the different colonies, surrounding her majesty. The Flower Girls, a flowery creation, which followed next was occupied by Lottie Lawrence and Murial Cochran. The Indian Encampment, Sitting Bill and Minnie Ha Ha, was good. The Pine Woods Brass Band of colored gentlemen was a most harmonious (?) collection. A burlesque, The Town Barbers, was very funny. The King of Sheba and retinue made up by small boys was very creditable. The Coon-Town Fire Brigade, seemed very effective not only in sprinkling the burning house but the spectators. Probably the funniest and most ridiculous was the Great Pan-American Show. Cages for the ferocious and untamed animals and fowls, consisting of two huge dogs, a pig, a calf, a pussy cat and some hens, were mounted on a wagon, with "the wild man of Borneo," Judson Borden on top. Geo. H. Yeates & Sons, turn-out was their fine confectionery wagon drawn by a span of bays.

The procession marched around the streets, after which the judges awarded prizes as follows:—1st, Britannia and her family; 2nd, Hiawatha and Minnehaha; 3rd, Coon Town Fire Brigade. A special prize was very properly given to the Flower Girls.

After dinner the bicycle parade lined up. Some of the wheels and their riders were exceedingly beautiful, and all are praised for their respective creations and decorations. Space does not permit of such comment as this parade is worthy. The awards were, 1st prize, gent's Swan, F. A. Coffill; 2nd, Butterfly, Fred Borden. 1st prize, ladies', Sundowner, Miss May Earle; 2nd, Star and Crescent, Miss Ethel Morgan. The high wind interfered with the parade considerably, causing some falls and Miss Patton got a tumble which bruised her arm quite badly.

The bicycle and horse race followed on Main street. In the boys race, Percy Walley won, Frank Lawrence second. Clyde Malcolm was well up to the leaders, but received a bad fall, putting him out of the race. In the 2.50 horse race, Er. L. Gertridge's trotter was first in two straight heats. Harry Godfrey's horse the other contestant, showed up well, but lacked the necessary get there speed on the home stretch. The 3 min. race did not materialize.

The adult half mile bicycle race was contested by John Harvey, of Port Williams, Burton Frizzle and Clyde Malcolm, and finished in order named.

The foot races and bag and bell game were held on Foundry street. Percy Walley won boys 100 yd race Charlie Newcombe second. Charlie Lingley, Star's Point, Arthur Gould, Burton Frizzle, Percy, ran in 200 yd. race, finishing as named.

The obstacle race was carried off by John Beakley 1st, Clyde Malcolm 2nd. The bag and bell game, won by Cyrus Mitchell and Harry Lawrence was a fitting conclusion to a first class program of sports, in which the events were closely, and hotly, contested. (Couldn't be otherwise considering the day.) The Hantsport brass band led the processions and did finely, reflecting credit on themselves.

The Baptist church congregation provided dinner and tea, with refreshments, in the Foundry building, and

were well patronized. The hotels and other places were taxed to their capacity to meet the wants of the crowd. On account of the Windsor celebrations and other attractions, the attendance was not quite up to last year, but there was a big crowd just the same. We want to especially mention the good order maintained all day. There was no disturbance whatever, and our policemen had nothing to do in the way of looking after unruly ones. The concert in the evening by local talent, assisted by the Harpers' Orchestra of Halifax and Mr. Palmeter of Grand Pre was a grand success in every way.

In addition to the selections by the Harpers, were Scotch songs by Mrs. T. C. Masters, songs by Mrs. J. F. Dalton, Miss Adria Coalfield also singing a duet with Mrs. Dalton, one of the best numbers on the program, violin solo, by Miss Lena Lockhart, boys songs by Hibbert Mitchener, a whole show in himself, guitar selections by Mr. Palmeter of Grand Pre. Nearly every number was encored. Everyone performed their parts so well that it is difficult to praise one above another. Misses Mary J. Davison, Edna Whitman and Josie Lawrence, as accompanists on the piano, gave entire satisfaction.

The executive committee in charge of the sports, parades and concert are to be congratulated that this year's celebration was the great success of former years. Everybody helped the good work along and everybody is entitled to a share of credit for the very enjoyable programme presented for the pleasure of those fortunate to be with us on July 1st 1901.

A NEW SWINDLE

Peddlers Offering Spurious Pills Representing Them to be the Same as Dr. Williams' Pink Pills—A Reward for Such Evidence as Will Lead to Conviction.

The latest device for swindling the public is now being operated in various parts of the Maritime Provinces, where a couple of peddlers are going from door to door selling a pink colored pill which they represent to be the same as Dr. Williams' Pink Pills for Pale People. It is needless to say that this claim constitutes a swindle, as Dr. Williams' Pink Pills are made from a secret formula known only to the proprietors. We strongly advise readers of The Advertiser not to be duped by peddlers of this class, no matter what representations they may make, and also to remember that medicines of such sterling reputations as Dr. Williams' Pink Pills, are never hawked from door to door by peddlers, are never sold in any form except in the Company's boxes, wrapped around which will be found directions for use, the whole enclosed in a wrapper bearing the full name Dr. Williams' Pink Pills for Pale People. It ought also to be borne in mind that imitations are always worthless, and in many cases positively harmful to those taking them. Your health is too precious to experiment with and peddlers of medicine should be promptly shown the door.

Offering an imitation pill and representing it to be the same as Dr. Williams' Pink Pills constitutes a felony under the Criminal Code, and the seller can be prosecuted for obtaining money under false pretences. The Dr. Williams' Medicine have a standing offer of \$50 reward for such information as will lead to the conviction of persons who infringe their registered trade mark in any form. Such information can be addressed to the Company at Brockville, Ont.
