Come to Church

on Sunday, December 31st

Our leaders in Church and State have asked that this be observed as **A Day of National Prayer** throughout the Empire. Do you believe in God? Do you desire the security of the Empire? Then come to your own Church next Sunday, and plead for God's aid.

Hear the Admiral of our great Navy, Sir David Beatty:—"Until a Religious Revival takes place at home, so long will the war continue."

Listen to our great war-lord, Sir Wm. Robertson—"A serious determination on the part of the nations to seek divine help would undoubtedly furnish valuable help to our soldiers and sailors."

These Warriors are Right. Patriotism and Religion are Identified.

Show your Patriotism by being present in your own Church next Sunday. Bring your family; bring your friends, and **Worship God.** Next week united services will be held every night but Saturday.

COME TO CHURCH!

T. C. Mellor, R. B. Layton, Peter Pollett, A. W. West—Ministers.

Methodist Christmas Tree and Concert

The annual Christmas Tree supplemented by a concert, will be held in the Methodist Church tonight, (Friday), Silver collection.

CONCERT

The pupils of Miss Mildred Turner's private school gave a most enjoyable concert last week for the benefit of the Red Cross Society. It would be almost impossible to tell which numbers were the most deserving of praise, when all was so well done.

The tableau work was certainly a credit both to teacher and pupils, and it could hardly be thought possible that so young children could both in act and voice be so nearly perfect.

Britannia supported by her army and navy and allies certainly made a very pretty picture. The value of the Red Cross was ably shown in tableaux, soldiers, sailors, Red Cross nurses at work in the hospital amongst wounded soldiers, and even the mothers and grandmothers at their knitting was pictured for us. These little grandmothers, Esther Pelton of the nursery department, aged 3 1-2 years and Margaret Tooney of the primary class aged 4 1-2 years certainly deserve mention for the attractive picture they made. These concerts held each year are much enjoyed by the parents and friends of the pupils and reflect great credit on their faithful teacher. The sum of \$7.50 was raised for Red Cross funds.
