MAY HELP SOLVE THE FARMERS' LABOR PROBLEM.

Tractors and labor-saving devices for the farm will form a very important and timely part of the display of manufactures at the Canadian National Exhibition this year. Unusual efforts have been put forth to make the farm machinery exhibits more extensive and representative than ever before and there is every reason to believe that the progressive farmer will find here the things that he most needs to solve his perplexing problems. Wonderful advances have been made mechanically along this line and not the least important are the scores of machines and devices designed to lighten the work of the woman on the farm and to make her lot less burdensome. The farm-wife will be delighted with the progress made in lines of endeavor of peculiar interest to her, while the city woman will also discover numerous simple contrivances to make housework lighter and more enjoyable.

Catarhal Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is a result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarh, which is an inflamed condition of the mucous surfaces. Hall's Catarh Medicine acts thru the blood on the mucous surfaces of the system.

We will give one hundred dollars for any case of Catarhal Deafness that cannot be cured by Hall's Catarh Medicine. Circulars free. All Druggists, 75c.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
