### STOCK BROKER

F. W. Dillon, correspondent of the Odell Stock & Grain Company, of Cincinnati, Ohio, has opened up a brokerage office over Williamson's grocery store. Mr. Dillon receives the Chicago market reports every day and buys and sells grain on commission. This company has a capital stock of \$250,000 and is considered in every way reliable. Mr. Dillon has a neat office and no doubt will be largely patronized. He would be pleased to receive a call from anyone interested in stock exchange.

### SUDDEN DEATH

One of Chatham's oldest residents passed away on Tuesday in the person of William Shipley, Adelaide St. Mr. Shipley, who is well known and highly respected by all who know him, was employed in the Chaplin Wheel Works. Tuesday morning he was feeling well and was apparently in the best of health. About 10 minutes to twelve o'clock he was very suddenly stricken with paralysis of the brain. He was gently borne to his home by his fellow workmen when he lost consciousness and gradually sank until he passed away shortly after five o'clock.

Mr. Shipley was an old resident of Adelaide Street, having lived there for 30 years. He was 54 years of age. He leaves a widow and a grown-up family to mourn his sudden death. He was a member of the I. O. O. F., which lodge had charge of the funeral. The funeral took place this afternoon at half past two o'clock to the Maple Leaf cemetery. It was very largely attended.

### ENTERPRISING FIRM

Chatham is fortunate in having a lot of live, up-to-date merchants, but there are none who are more enterprising in keeping up to the last minute of the times as do The 2 T's.

This popular gents' furnishings establishment have now undertaken the agency for the Hart Schaffner & Marx Company, who are so well known all over America. This firm is perhaps the most up-to-date and popular firm for men who wish to be dressed according to the latest styles, and this is the first agency they have appointed in Chatham. This company did six million dollars' worth of business last year and have head offices in Chicago, Boston and New York and the 2 T's are to be complimented for their enterprise in taking up such a big affair and they should receive liberal patronage. A young man can now get a suit just as stylish as if he got it in Chicago or New York.

A large consignment of this company's goods arrived in the city for the 2 T's on Monday and more is on the way. A lot was passed through the customs yesterday afternoon.

### FIREMEN'S BALL

The ninth annual firemen's ball was held in Northwood's Hall last evening. There was an excellent attendance there being about seventy couples present and the dance music provided by Decow's orchestra, was perfect. Everyone enjoyed the dancing and all were sorry when the evening finally ended. The floor managers were Messrs. Geo. Forsythe, H. Johnson and Joe. Sides and these gentlemen kept things lively during the evening.

The object of the ball was to raise a sufficient amount of money to pay the premiums on the firemen's accident insurance. The amount raised was just \$14 short of the required amount and this can be easily raised, so that the ball was considered a great success.

### PILLS AND PILLS.

A prolific cause of Piles is the use of cathartics and pills of a drastic, violent nature, which is always followed by a reaction on account of the resinous, drying properties they contain.

There are other causes, but no matter what the cause or what the kind of Piles, Dr. Leonard's Hem-Rod can be relied upon to cure—to stay cured.

It's an internal remedy that removes the cause of Itching, Blind, Bleeding or Suppurating Piles.

A guarantee goes with each package containing a month's treatment. It can be obtained for \$1.00 at druggists, or The Wilson-Fyle Co., Limited, Niagara Falls.

**\$10.00 Overcoats AND Suits**

We beat the world on \$10.00 Overcoats and Suits. The less an Overcoat or Suit costs the more care is needed in buying. Cotton or bad making isn't really so likely to slip into a \$18 or \$20 Overcoat or Suit as into a \$10 Coat or Suit.

We keep cotton out of this garment by making a hard and fast rule, nothing but wool and good wool.

We keep bad making out by picking out makers; if you want the best value to be had in a \$10.00 Overcoat or Suit. You can get it right here
