TRI-WEEKLY EDITION.

SATURDAY, JULY 23, 1887.

Statistics to show the progress of Britain during the reign of Victoria, have been published. They have been prepared by Mr. Mulhall and may be considered as authoritative. During the half century the wealth of the country has been about doubled, being now £9,210, 000,000 as against £4,100,000,000 at the beginning of the Queen's reign. During this period there has been a decrease in the value of land, of £40,000,000. The oritative. During the half

tion 42 per cent.; wealth 124 per cent.; mileage in 1885 was 18,170 as against

opponents of union, therefore, driven in into very narrow straits when they has she been making rapid advances in every interest but she is the only kingdom which, during the last fifty years, can show a surplus over expenditure. The expenditure of every other nation has exceeded the revenue, France having a the last half century, and give but little

Trade England.

EARL ABERDEEN AND THE IRISH.

The hearty reception accorded the Earl and Countess of Aberdeen in the cities which they have visited in the United States is an evidence that the heart of the people of the United States as ex-Lord Lieutenant of Ireland during Gladstone's administration, and is now being well-comed by the people of the United States as ex-Lord Lieutenant. The hearty of the United States as ex-Lord Lieutenant. The hearty of the United States as ex-Lord Lieutenant. The hearty work. Norquay appears, or at Institute of the people of the United States as ex-Lord Lieutenant. The hearty begin the work. Norquay appears, or at Institute of the people of the United States as ex-Lord Lieutenant. The hearty begin the work. Norquay appears, or at Institute of the people of the United States as ex-Lord Lieutenant. The hearty begin the work. Norquay appears, or at Institute of the people of the United States as ex-Lord Lieutenant. The hearty begin the work. The hearty begin the work. Norquay appears, or at Institute of the United States as ex-Lord Lieutenant. The hearty begin the work. Norquay appears, or at Institute of the United States as ex-Lord Lieutenant. The hearty begin the work. Norquay appears, or at Institute of the United States as ex-Lord Lieutenant. The hearty begin the work. Norquay appears, or at Institute of the United States as ex-Lord Lieutenant. The hearty begin the work is the United States as ex-Lord Lieutenant. The hearty begin the work is the United States as ex-Lord Lieutenant. The hearty begin the work is the United States as ex-Lord Lieutenant. The hearty begin the work is the United States as ex-Lord Lieutenant. The hearty begin the work is the United States as ex-Lord Lieutenant. The hearty begin the work is the United States as ex-Lord Lieutenant. The hearty begin the work as Lord Lieutenant of Ireland ought to silence those who contend that it is imby good government, and that the only way to deal with them in their own land is to keep them down and crush out their national aspirations. That a British ex-Lord Lieutenant should have been accorded such a reception by the expatriated Irish and their descendants, is well calculated to encourage the hope that conciliation and justice, and the abolition (the heart laws there are the properties of the properties of the heart laws the properties of the propertie

ings, which America could teach one.

He knew the United States ways and
Ship Trith of Olna has

ers in combination have attempted to in-

fluence some of the institutes and other organizations to oppose the scheme by resolution, but only in one instance have they succeeded in partly accomplishing their numerical partly accomplishing the partly accomplished the partly accomplis their purpose, vis.: with a farmers' council of their purpose, vis.: with a farmer c smaller manufacturers. This council did not pass a resolution opposing the scheme, but after a hot discussion de-clined to pass a resolution favoring 1t. To causing the death of the engineer.

climed to pass a resolution favoring it. To causing the death of the engineer.

Lightning struck a powder house at the agitation these manufacturers have also caused to be circulated the report that the institutes which have already pronounced in favor of commercial union are so much under the control of the On'uric governatives with S. S. Cor. General Sinkles. under the control of the On'ario govera-ment that they cannot well give a free and independent expression of opinion; that they are too heavily subsidized to be in a position to fairly and candidly say what they think about it, and these

subsidized concern than the same Sun. It will not, however, do for the Sun to measure the farmers corn in its own bushel. It is not possible for the opponents of the union to meet the advocates of the scheme with argument. They therefore take such means as we have referred to to destroy, if possible, the fluery, Montreal. trade 472 per cent.; shipping 583 per cent.; ether the time of the accession of Her Maiesty the population was twenty-six millions; it is now about thirty-seven millions. The railway Brunswick so far as local government

mileage in 1885 was 18,170 as against 840 in 1840. The number of passengers since that year has increased from 18

sufficiently a specific or the sum of t at the pleasure of, our local government?

The above figures show how great has een the progress in Great Britain during he last half century, and give but little concentrate of union the progress in Great Britain during he last half century, and give but little concentrate of union therefore driven by

deficit of nearly 790 millions.

Our tory friends should study the figures given above and remember that they represent the progress of Free

Trade England.

Trade England.

Dear Sirs:— A tailor named McGregor, from New

Sore Eyes The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sere, it is an evidence that the system has become disordered by Scrofuls, for which Ayer's Sarsaparilla is the best known remedy. Scrofula, which produced a painful inflammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. After using this medicine a short time I was completely

Cured My eres are now in a splendid condition, and I am as well and strong as ever.—
Mrs. William Gage, Concord, N. H.

For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I commenced using Ayer's Sarsaparila. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers.—
C. E. Upton, Nashua, N. H.

From childhood, and until within a few months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Ayer's Sarsaparilla, and consider it a great blood purifier.—Mrs. C. Phillips, Glover, Vt. I suffered for a year with inflamma-tion in my left eye. Three ulcers formedon the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla, and,
