# BATTLEFIELD NOW IS FREE FROM DEBT.

Interesting Event At Historical Spot Attended By Large Party of Hamiltonians.

## Addresses by the Lieutenant-Governor and Minister of Militia and Others.

Yesterday was a banner day for the Women's Wentworth Historical Society, when they handed over the cancelled mortgage to the trustees, Hon. J. M. Gibson, Hon. J. S. Hendrie and Thomas W. Watkins. Eight years ago, Mrs. Calder learned that the historic old Gage house, with about five acres of land, was to be sold. With her usual energy she at once secured the property, becoming personally responsible for the purchase money, until the necessary money could be raised by subscription. Several prombe raised by subscription. Several prominent citizens said the money could all be raised at once, but Mrs. Calder felt that as it was the scene of such an important battle, as many people as possible should be allowed to share in paying for it. The money has all been raised by subscription and by entertainments, except the annual grant of \$100 by the Ontario Government, which Hon. J. S. Hendrie got increased to \$300 this year, to be used for the mortgage. The property is now free of debt, and many hundred dollars have been spent in repairs and improvements. This is the only historic ground in Canada owned by a patriotic society, and but for Mrs. Calder's prompt action it would have been divided and sold for farming purposes.

Yesterday was an ideal day for such an event. About 500 guests went down in autos and H.. G. & B. cars. A guard of 50 members of the 13th Regiment escorted His Honor the Lieut. Governor, commanded by Captain R. A. Robertson.

The house decorations, the work of Mrs. Shawcross, were greatly admired. The parlor was decorated with bunting, and large mirrors. The tea room was decorated with strings of pumpkins, apples and other fruits, the effect of which was very charming. The table was most artistically decorated with grapes and autumn leaves by Mrs. Murray Pettit.

Mfs. Thomas W. Watkins received the guests until Mrs. Calder arrived. When inent citizens said the money could all

Sir Mortimer Clark congratulated the ladies most heartily upon the success that had crowned their efforts, and also the citizens who will share in the honor of the preservation of this historic spot. His speech was pithy and patriotic. He spoke of the bravery and self-sacrifice of the militia of 1812-13, and said he believed the militia of to-day would do just as much for home and country as their precedecessors.
