THE WERNER COMPANY,

MONCTON 1899 Woolen Mills1899

I have much pleasure in announcing to my customers and the general public that I will make them my annual call with a full line of goods from the above mills which will consist of

YARNS, SHIRTINGS, FLANNELS, BLANKETING, RUGGING, HOME-SPUNS, TWEEDS, OVERCOAT-INGS, AND DRESS GOODS.

These goods need no introduction to you as for the past ten years I have called upon you. You have seen that great improvements have been made each year in the style, coloring and finish and this year is no exception. I am confident that I can offer you goods not excelled by any mill in the maritime provinces, and as this will be the last season I will call on you in this century I trust you will continue to give me the patronage you have so generously bestowed in the past and assist me to make my sales the largest of any year I have had the pleasure of dealing with you. I am,

A. D. McLEAN. CAMBRIDGE, April '.h, 1899.

A Rare Chance for Business.

Owing to ill health I have decided to sell my interest in the Mill at Gagetown Whari. The building was intended for a grist mill in the upper story. The Rotary and Belts are the best. A 48 inch inserted tooth Saw. Only a few feet from the Public Wharf.

There is also in position for work a Maple Leaf Grinder which has only been used a few weeks. R. DEB. SCOTT. Gagetown, N. B.

ST. JOHN, N. B , N. End.,

I have opened a branch Drug Store on Bridge Street near Star Line Wharf. Have every facilities carrying on business. Full assortment patent medicines and everything new. Do not forge. I have been pleased with you patronage for thirty (30) years and still desire to wait

Yours Obediently, E. J. MAHONEY. P. S. Other store Main Street, corner E. J. M.

The steer, gorged with food, and each day adding to the layer of heat-holding fat just beneath the skin, can withstand considerable cold, often showing preference for the open shed to the close stable. The condition of the dairy cow is in ernity, and the semi-daily heavy loss of dant milk flow. The observant stockman will at once detect the fundamental difference in the condition of the dairy cow

to withstand exposure to the weather. Our cheese exports during the season | teaspoonful of soda and two eggs. of navigation now closing probably exceeded those of last year, great as these were taken on board by the ocean steamers, as against 1,837,435 boxes a year ago. And, though the prices ruled high nearly throughout the whole of the season of 1898, they ruled still higher in the season just closed. Of butter, 465,171 packages were shipped out of Montreal this year, as against 278,952 packages much higher this year than it was a year

ago. This year's dairy receipts should changes, we frequently see reports of large hogs killed by various persons each breath through the nose. Keep your trying to outboast the one who made the previous report and every time we see such a report we feel like saying, "The bigger the hog the bigger the tool who When one has an old hog, kept for breeding purposes until it is 5 or 6 years old, if fattened it will be a large one very naturally, but we think the owner of such an animal would save more money to kill and bury it than to try to get it

Competitive Candy.

A girl who works in a candy factory at Hoboken N. J., tells some curious stories | Home. of the way candies are made there. The men smoke and chew while at work, and, she says, often spit into the sugar boilers. Since she has worked there she has been so disgusted that she says she will never eat any more candy. At this same factory seventeen girls have just been laid off and a machine managed by a boy who gets \$4 a week does the same work formerly done by the girls. The girls used to get \$3 each. The manager said the Saturday after the girls were laid off that the cloth to be used in the that it is dipped in boiling water, dredged with flour, and shaken well before the I am now more than ever able to supply his head used to ache when he had to pay the work bill at the end of the week, but pudding is put into it. so the crowding out of the workers goes

In the Probate Court Of Queens County.

To the Sheriff of the County of Queens or any Constable within the said County,

Whereas Frances A. Chase, Executrix of the last Will and Testament of Abraham Chase, late of the Parish of Gagetown in said County, deceared, hath filed an account of her administration of said estate, and prayed to have the same passed and allowed. You are therefore required to cite the heirs next of kin, legatess and all others interested in said estate to appear before me at a Court of Probate to be held at my office, in the Parish of Gagetown, within and for said County of Queens, on Wednesday, the fourteenth day of February next, at the hour of two o'clock in, the afternoon, to show cause if any they have why the prayer of the said petitioner should not be complied with.

Given under my hand and the seal of the said Court this 20th day of December, A. D. 1890.
