

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" on Aspirin is like Sterling on silver. It positively identifies the only genuine Aspirin. The Aspirin prescribed by physicians for over nineteen years and now made in Canada.

There is only one Aspirin—"Bayer". You must say "Bayer". Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Mono-acetic acid of Salicylic acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

GIRL WIFE IMPLICATED IN CHEQUE STEALING CASE TO APPEAR ON MONDAY

Mrs. May Shales, a young matron was brought here from Hamilton last night by Detective McCarthy to stand trial for receiving stolen goods.

She is a friend of the 15-year old girl, Mrs. Gladys Dalgleish who the police accuse of stealing and forging a cheque for \$200 which was given her by mistake in a letter at the

postoffice, the cheque and letter being intended for some one else.

The police learned that the Shales girl was with the Dalgleish girl the police say when she got the cheque, went with her to the store when she bought a suit and received about \$170 in change. The two then went away together and it is alleged spent the money.

The Shales girl was remanded until Monday when both will appear for their trial.

PAIR IDENTIFIED BY THE VICTIMS OF TIME-WORN GAME

NIAGARA FALLS, N.Y. April 30.—Frank DeMoro, twenty-eight, and Frank DeLeo, twenty-four are held for arraignment in police court today on a charge of being implicated in the operating of the "handkerchief game" in this city and Buffalo during the past few weeks.

DeMoro has been identified, police say, by George L. Gaitanis, owner of a Falls street shoe shining parlor, as the man who accompanied DeLeo when the shoe shiner was bilked out of \$900 April 17.

Louis Scozzafava, Lockport street shoemaker, identified DeLeo as one of the men who "put the work on him" for \$230, March 10 last. Both prisoners are charged with grand larceny in two degrees.

The two men were sen yesterday morning by Superintendent of Police John A. Curry, an old time detective, with Leon Kusner of No. 1779 East Falls street. He quizzed the trio and learned enough to cause him to send the trio to headquarters where the alleged identification took place.

The chief's suspicions were aroused when he saw Kusner protesting against something the other men were urging him to do. Kusner admitted to the chief the other men were trying to negotiate a financial deal with him.

Fire destroyed the International Hotel at Windsor, causing about \$1,600,000 damage, and driving forty guests into the street.

THE BEST MEDICINE FOR LITTLE ONES

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the tablets always do just what is claimed for them and that they can be given with perfect safety to children of all ages. Concerning them Mrs. Joseph Therrien, St. Gabriel de Brandon, Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the Tablets but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

IRISH DOCKER'S STRIKE FAILS IN LIVERPOOL

LIVERPOOL, April 30.—An attempt by the Irish section of the dock workers to carry out their threat to hold up traffic if the hunger-striking prisoners were not released from the Worm-wood Scrubs Prison has failed.

More than 80 per cent of the men returned to work this afternoon and there were plenty of substitutes for the Irishmen who did cease work.

The only somewhat serious development today was that the Irish boats were held up temporarily.

Fast motorcycles have been furnished to the Windsor unit of the Royal Canadian Mounted Police.

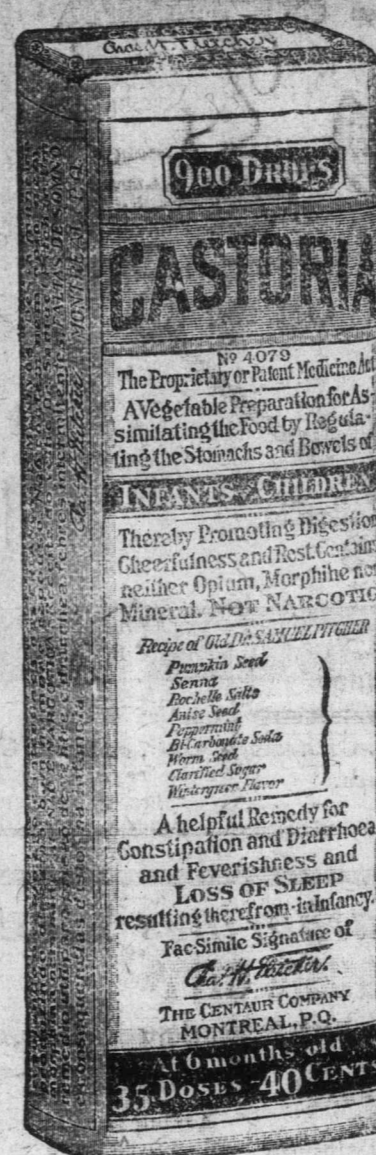

No Truth in The Story of Appointment

Someone who was evidently very anxious to make some money out of newspapers by sending out a fake despatch, lives in Boston. The other day the Journal received a telegram from what appeared to be a reliable news agency stating that Miss Flora McKinnon, of this city, an instructor in Wellesley college, had been given an appointment as investigator by the United States Government. It turns out there was nothing in the report as the following letter from Miss McKinnon shows:

April 29, 1920
Editor St. Catharines Journal
Dear Sir:

The story recently published in the Journal, of my having been elected a member of a committee for economic investigation, is entirely without foundation. As you will see from the enclosed official notice from the College, it was the work of an unscrupulous news agency which has sent the same story to various newspapers in different parts of the country, using in each case the name of a member of the College living in the city where the paper is published. I hope that if you have not already done so, you will see that this story is effectively denied, and will print no more unverified reports.

Sincerely yours,
FLORA I. MCKINNON.

1,000 DUSKY MAIDS SHOW CHARMS OF ZEALAND TO PRINCE

Do Their Languorous Dances for British Royalty to Tune of Native Music.

ROTORUA, New Zealand, April 30.—The picturesque celebration arranged by the Maori tribesmen, enemies of the British in the Maori war, in honor of the Prince of Wales on the shores of Rotorua lake today furnished one of the striking features of the prince's tour. A thousand native warriors, clad only in loin cloths and armed with spears, performed fierce war dances while a thousand graceful Maori maidens in brilliant Maori costumes did their languorous dances to the accompaniment of soft native music.

The strike of locomotive engineers and firemen continues and the prince, with his party, has arranged to return to Auckland tonight instead of continuing to Wellington by rail.
