ODDS AND ENDS.

ROOM FOR IMPROVEMENT.—The prison cell
...is taking a march' worse than
...to walk.
...When a lover dotes on his darling,
...a retail case as an antidote.
...In some cases authorship is but an-
...other name for poetry.
...The truly brave have calm a judg-

...The best way to humble a proud man
...is to take no notice of him.
...Take away my first letter, take away
...my second letter, take away my third
...and I am still the same. The poet-
...man.

STRANGE BIRTHDAY PRESENT.—To a
...dear young lady, A handsomely bound
...copy of the treatise, "How to Drive on
...Fifteen Pounds a Week."
...Oh, said a love-sick dilettante,
...that a recreation it is to be dying of
...love! It sets the heart aching so delect-

...for the pleasure of the page."
...PROVERB NARRATIVE.—There was
...a certain citizen of the United States
...who had made a large fortune in Con-
...necticut by "striking lightning." Having had
...a daughter born to him, he named her
...Feliciana.

"How is it that you have never
...kindled a flame in any man's heart?" asked
...a rich lady of her portionless daughter.
..."I suppose, mamma, it is because I'm not a
...good match," meekly replied the poor-
...thing.
...The proprietor of a strawberry stand
...left it in charge of a boy a few minutes,
...and when he returned he found, as he
...supposed, some of his berries had been
...stolen. "How is it that you have never
...kindled a flame in any man's heart?"

"Mamma, you told me the ladies should
...always be first, didn't you?"—Mamma:
...Yes, my darling, certainly. —Mamma:
...Then you please, why wasn't I born
...before Willie?

Coldridge, when lecturing as a young
...man was once violently abused by a
...man who immediately retorted: "When a
...word of truth is poured on coldridge
...prejudices, no wonder that they heat."
...Two little girls were comparing notes
...in a catechism class. "I've got to
...original sin," said one. "I've got to
...you get?" "Met Oh, I'm away beyond
...redemption," said the other.

"Mamma, you told me the ladies should

...Yes, my darling, certainly. —Mamma:
