GREAT CLEARING SALE.

Extension of Premises.
BUSINESS INCREASING.

In consequence of a large increase of business in our Dry Goods and Tailoring Departments, and with a view of extending our premises, we have decided upon going out of Ready Made Clothing, Groceries and Boots and Shoes. We will therefore offer to our customers and the public all the above goods at a great reduction, commencing

SATURDAY, 2ND JAN. 1875.

And to make this great sale still more interesting we will, in addition to the above, make sweeping reductions in Dress Goods, Shawls, Flannels, Furs, &c.

GROFFTS & JOHNSTON.

100, King Street West, Toronto.

The superiority of our Patterns is manifested in all parts. Now to satisfy yourself that this claim is well founded, examine them carefully, and compare them with others, and you will see that they are different from any other patterns, and that they are the only ones that will produce a perfect fitting dress or pattern.

BOOKS FOR PRESENTATION.

Without referring particularly to the various measures of the past three sessions, I think the settlement of the West Riding of the County of York, and the wise distribution of the Provincial surplus to the local municipalities on the basis of population and area, and the works of permanent utility at the discretion of the ratepayers of each municipality, are the most important and valuable measures of the past three sessions, and I have the honor to express my sincere thanks to the Government for the adoption of these measures.
