SCREEK.

A Reform convention under the auspices of the West Huron Beform Association will be held at Dungannon on Tuesday, May 27th, beginning at 12 o'clock noon. The object af the convention is to perfect the organization in the different polling subdivisions of the Riding, and to arrange for the proper correction of the voters' lists. Nowadays the elections are fought, in a great measure, at the courts of revision and before the and Judge Sinkler, of St. Catharines.

county judges, and it is of importance therefore that good work be done in this direction. The meeting will be addressed by Hon. A. M. Ross, Provincial Treasurer, M. C. Cameron, M.P. for West Huron, and other prominent Reformers.

ences of the past season.

THE FALL WHEAT. An experienced man who recently took

a trip through the northern and central portion of the county, tells us that the Besides the hope of drawing attention fall wheat crop cannot safely be put at

from the conspiracy, there is another reason for abusing Archbishop Lynch at the present time. Sir John has just sold more than one-half an average. In the southern part of the adjoining county of the Orangemen again by refusing to say or do anything except vote for their in-corporation bill, and it is hoped that his Bruce, fall wheat looks splendid on light, gravelly soil, but on heavy clay soil it is hardly worth saving. The seaorgan can do something in the way of putting them in good humor by abusing son so far has been favorable for spring a Catholic Archbishop every morning. That is paying a very small compliment to the Orangemen.—[Beacon. sown grains, and to that class of cereals the farmers of Western Ontario, must look for a relief from the hard experi-

courts.

The Conspirators.

THE BATES OUTRAGE. THE terrible outrage committed upon the girl, Rebecca Bates, near Clinton, has caused a feeling of the most intense anger and indignation in this her native a question the ground is taken that the town. The girl's courageous but futile fight for her honor, has elicited for her expressions of the deepest sympathy, and the brutal treatment of the girl during and after her defloration, has stirred up the stormiest feelings against the town. The girl's courageous but futile the stormiest feelings against the scoundrels who participated in the out-rage. During the week it would have been easy to have secured a large band of our best citizens to personally chastise of inducing the for the corrupt purpose of our best citizens to personally chastise of inducing them to vote against the the lecherous lot as they were Government. No doubt so far as the brought to or from the court room. Government is concerned it is not par-

hitewashing, has stepped down and out of the Cabinet. The Macdonald Ministry, as at present composed, is falling to A Goderich Girl Brutally Asieces from the weight of its own ini-

CAIRO, May 5.—The Arab journal El Bayon affirms that El Mahdi demands £500,000 ran som fer Gen. Gordon, the sum to be paid to him within three months. Some one should remind the false

rophet of the well-known recipe for

ooking a hare : "First catch your hars." Gordon is in a pretty tight place just ow, but El Madhi's swarthy hand does ot yet grasp his coat collar.

SIR CHARLES TUPPER, after all his

THE twenty-eight counties in which the Scott Act will be voted on this year

are to be grouped as follows :-- No. 1,

Peel, Simcoe, York, Ontario, North-umberlaud and Durham ; No. 2, Fronteac, Leeds, Grenville, Renfrew, Lanark, Carleton, Stormont, Dundas, Glengarry, Lennox and Prince Edward ; No. 3. Middlesex, Lambton, Norfolk, Elgin, and was intending to take the evening train for London, en route for St. Thomas, where a couple of her brothers reside. Owing to a miscalculation she missed the train she intended to go on, Kent, Brant and Essex ; No. 4, Grey, Bruce, Huron and Perth.

Ar a meeting of the Ontario Cabinet and at once determined to stay in Clin and at once determined to stay in Chi-ton over night, and take the early train for London in the morning. With this object in view she proceeded to the Grand Union hotel, and, after taking supt was decided to appoint Mr. Justice Proudfoot as president of the Royal Commission on the conspiracy case, and Judge Scott, of Brampton, brother of per, asked to be given a room for the the late member for West Peterborough.

### THE GIRL'S STORY

is that the young man of the house, one Carson, told her to go up to the sitting room, and that he would arrange that she would be furnished with a room. were also appointed on the commission. It is not probable that the Commission will meet before the early part of July, in order that there may be no interference She accordingly went to the with the ordinary work of the Judiciary. It was also felt that it would hardly be right to attempt the collection of fresh ordinary, when, about eleven o'clock, she given to her, and that she would have with the ordinary work of the Judiciary. to find lodgings elsewhere. She accord-ingly went forth into the night, with the intention of sections and evidence while the case was before the ntion of seeking a place where she Abusing the Archbishop.

could rest until morning, but as she passed out she noticed a conveyance standing in front of the hotel door, the driver of which gave her to understand that

A SPECIAL TRAIN

was going to London that night, and also stated that if she would get into the vehicle he would drive her to the station. He is well-formed and tall, being 5ft 11 vehicle he would drive her to the station. Being a young, unsophisticated girl, she believed the story, and being anxious to get to the station, at once availed her-self of the offer. No soover had she got self of the offer. No sooper had she got into the vehicle than the driver was

joined by two associates, and at once drove off. Instead however, of bribery conspirators are in a worse box now than they were before, and that it was a mistake to enter a demurrer, as was done. The entering of a demurrer, as the it dawned upon the poor means that the facts are admitted but the legal offence is denied. In the case in question the ground is taken that the

A TERRIBLE STRUGGLE, eded in leaping from the conve ance, while it was in motion. On alight-ing she fell down, but quickly scrambling up again, she started to run' towards Clinton. Wm. Hunter, one of the party of abductors, immediately jumped from the vehicle, and running after the now almost frantic girl, caught up with her knocked her down, and, despite her struggles and cries, succeded in brutally ravishing her. The girl says she was

OUTRAGED TWICE

and that on each occasion two of her In Clinton, also, the feeling against the ticularly anxious to convict any of those assailants overpowered her. Finally she son of Mrs. Morley, the owner of the Grand Union hotel

or less their origin from Rome have settled upon the 1st May for pleasures of the same kind. In England we have to go back several centuries to find the

observances of May in their fullest de velopment. In the 16th century it was customary to go ferth at an early hour in In the foregoing we have endeavored the morning to gather flowers and haw-to give the facts of the case as they have thern branches which they brought been brought to our knowledge. We home about sunrise with accompaniments have refrained from giving the evidence of horn and taber, and all possible signs occasion. Not content with a garland-ing of their brows, deors and windows, these merry people had in every village and town a fixed pole as high as the mast of a vessel, on which, each May morning they suspended wreaths of bowers and round which they dancel in

rings nearly the whole day. The May pole, as it was called had, its place equal-ly with the parish church—and if one any where was wanting, the people selected a suitable tree, hawed it to the Batch of Fenians Brought to Trial proper size, brought it in triumphantly, and erected it in the proper place, there to remain from to year. The Puritans SLIGO, May 5.—Fitzgerald and ten-other Fenians were arraigned to-day, charged with being Invincibles and with the murder of landlords and others. Thomas Moran, a friend of Sheridan, testified that when he joined the Invin-cibles he was sworn on a knife, and pledged himself to secrecy; to implicit obedience to his leaders; to art when to remain from to year pledged himself to secrecy; to implicit obedience to his leaders; to act when called upon by them, and to deal death to all tyrants.

to all tyrants. The prosecutors for the crown stated that Jas. Lyon and Pat Reynolds, now in America, were the local leaders of the taken down in 1717 and presented to Sir I. Newton to support the largest telessope at that time in Europe. It had two gilt balls and a vale on its summit, and on holidays was decorated with flags and garlands. After the Re-storation they were everywhere re erect-ed and the appropriate rites recom-menced but in the course of the merce acciety of the Invincibles. Moran further deposed that P. J. Sl sridan had visited Tubber Curry in the garb of a priest, and had, during his visit, busied himself in forming the "inner circle." menced—but in the course of the mere gradual change of manners the Maypole has again vanished. They must be pretty old people who remember ever

THE C. P. R. DIRECTORATE

### Important Impending Changes-The Per sonnel of the New Board

MONTREAL, May 5. — The statement that John Turnbull of this city has been

within a tail frame of heros and nowers decorated with a flag at top. They stop here and there, and dance to the music of drum and fife, expecting, of course, to be remunerated by the lookerson. Within the present century there was a somewhat similar demonstration from the milk-made. In the course of the morning the eyes of the hous the passenger train, was cut about the breast and face, and two ribs broken. W. Cochlen, of Englewood, had both legs broken and one eye destroyed. It is thought he will die. Engineer Ter-

and with heads wreathed in flowers would dance round the animal te the sound of At an earlier the violin or clarionet. period there was an addition to this choral troop, in the form of a man bear-ing a frame which covered the upper half of his person, and on which was hung a cluster of silver flagons and dishes each set in a bed of flowers. With this ex-

troordinary burden, the legs, which alone were seen, would join in the dands, much to the merriment of the spectators while the strange pile above floated and flaunted about with an air of heavy decorum that added not a little to the general amusement. Carols were sung to the man himself. Mr. Turnbull has been intimately acquaintea with the affairs of all night in search of flowers the follow-

the company since its inception, and is in many matters the confidential representative of Mr. Stephen. He was asked to accept the appointment with a view of maintaining a quorum on this side of the Atlantic whilst so many of the Mon. It real directors were away in Europe and until the annual general meeting a few weeks hence, when a reorganization of i the board will be made. Mr. Turnbull has for the last thirty years been the head man in Geo. Stephen & Cc.'s business circles. At this meeting the wateard of J. J. Hill of the St. Paul and Minneapolis railway, one of the original directors of the company, will also have to be filled, as well as the first vice presidency now filled by D. McIu tyre, when it is thought General Manager Van Horne will assume the vice-presidency. The other vacancy' will, it is thought, be filled by Hon. J. J. C. Ab-
