Two Trolley Cars Come Together Just Opportunity Nine Persons Injured-Failure of in British Brake to Work Causes Accident.

Niagara Falls, N.Y., Aug. 15 .- In a nead-on collision between two trolley cars on the Gorge route this evening nine persons were injured, one seriously. The collision occurred at Swiftdrift at the point in the gorge where the river breaks into the swift apids above the whirlpool. The ledge upon which the tracks

rest is narrow and on the river side there is a sheer drop of twenty feet into churning waters. Both cars were shattered by the terrific force of the collision and left the rails. The accident was due to the failure to work of
