**THE MARCH ASSIZE.**

NO. 17, an old, dry-looking military gentleman, in a particular by high position, now showed himself on the scene, uttering legal proceedings against the house for the loss he had sustained.

Harvey was stupefied and indignant, yet he could hardly help smiling at the pother. "What?" said he, "have I to do with all this? I have paid for everything; I am surely entitled to go away if I like. Remember, that if I lose my passage to Boston, you shall answer for it."

"I very much regret detaining you, sir," replied the keeper of the hotel; "but you hear there has been a robbery committed within the last few minutes, and as it will be proper to search every one in the house, surely you, who are on the point of departure, will have no objections to be searched first, and then be at liberty to go."

tion trickled down his brow. His heart swelled and beat as if it would burst. What should he do? His whole prospects were in an instant blighted. "Oh God! do not desert a frail and unhappy being; give me strength to face this new and terrible misfortune," was a prayer he internally uttered. A little revived, he started to his feet, and addressing himself to the landlord, he said, "Take me to a magistrate instantly, and let us have this diabolical plot unraveled. I court inquiry into my character and conduct."

"It is no use saying any more about it," answered the landlord; "here is Boots with a constable, and let us all go away together to the nearest magistrate. Boots, carry that trunk, John and Sally, you can follow us."

How to Have the Best Cough Syrup and Save \$2, by Making it at Home.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take two cups of granulated sugar, add one cup of warm water, and stir about 2 minutes, you have as good syrup as money could buy.

If you will then put 2 1/2 ounces of Pinex (fifty cents' worth) in a 16 oz. bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready-made for \$2.50. It keeps perfectly.

And you will find it the best cough syrup ever used—even in whooping cough. You can feel it take hold—usually stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect and taste is pleasant. Take a teaspoonful every one, two or three hours.

It is a splendid remedy, too, for hoarseness, asthma, chest pains, etc. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in gualitol and all the healing elements. No other preparation will work in this formula.

This recipe for making cough remedy with Pinex and Sugar Syrup is now used and prized in thousands of homes in the United States and Canada. The plan has often been imitated but never successfully.

A guarantee of absolute satisfaction, or money promptly returned, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Toronto, Ont.

And so the party, trunk and all, under the constable as conductor, adjourned to the house of a magistrate in an adjacent street. There the matter seemed so clear a case of felony—robbery in a dwelling-house—that Harvey, all protestations to the contrary, was fully committed for trial at the ensuing March assizes, then but a few days distant.

At the period at which these incidents occurred, I was a young man going on my first circuits. I had not as yet been honored with perhaps more than three or four briefs, and these only in cases so slightly productive of fees, that I was compelled to study economy in my excursions. Indeed of taking up my residence at an inn when visiting—a considerable seaport, where the court held its sittings, I dwelt in lodgings kept by a widow lady, where, at a small expense, I could enjoy perfect quietness, free from interruption.

On the evening after my arrival on the March circuit of the year 17—, I was sitting in my lodgings perusing a new work on criminal jurisprudence, when the landlady, after tapping at the door, entered my room.

"I am sorry to trouble you, sir," she said; "but a man has called to see you about a very distressing law case—very distressing indeed, and a very strange case it is too. Only if you could be so good as to see her?"

"Who is she?"

"All I know about it is this; she is a Mrs. Harvey. She and her husband and children were to sail yesterday for Boston. All were aboard except the husband; and he, on leaving the large hotel over the way, was taken up for a robbery. Word was in the evening sent by the prisoner to his wife to come on shore, with all her children and the luggage; and so she came back in the pilot boat, and was in such a state of distress, that my brother, who is on the preventive service, and saw her land, took pity on her, and had her and her children and things taken to a lodging on the quay. As my brother knows that we have a London lawyer staying here, he has advised the poor woman to come and consult you about the case."

"Well, I'll see what can be done. Please desire the lady to step in."

A lady was shortly shown in. She had been pretty, and was so still, but anxiety was pictured in her pale countenance. Her dress was plain, but not inelegant; and altogether she had a neat and engaging appearance.

"Be so good as to sit down," said I, bowing; "and tell me all you would like to say."

The poor woman burst into tears; but afterwards recovering herself, she told me pretty nearly the whole of her history and that of her husband.

Lawyers have occasion to see so much duplicity, that I did not at all once give assent to the idea of Harvey being innocent of the crime of which he stood charged.

"There is something perfectly inexplicable in the case," I observed, "and it would require sifting. Your husband, I hope has always borne a good character?"

**AT WORK IN 3 WEEKS**  
\$4 Worth of Father Morrisey's "No. 7" Cured Her of Inflammatory Rheumatism.

Mrs. Agnes Edgar, of Grand Falls, N.B., had a terrible time with Inflammatory Rheumatism. Anyone who has had this painful disease will understand her suffering—and her joy when she found Father Morrisey's "No. 7" had cured her. She says:

"I took Father Morrisey's Prescription for Inflammatory Rheumatism. I had suffered everything with it, but in three weeks after starting Father Morrisey's Prescription I was able to do my work, and after taking four dollars worth of medicine I was well. I highly recommend it any sufferer with Rheumatism."

Rheumatism comes from bad kidneys. The poisonous Uric Acid which they should remove stays in the blood, accumulates in joints and muscles, and causes agony. Father Morrisey's "No. 7" puts the kidneys right, removes the Uric Acid from the blood and the whole system, and cures the Rheumatism. and the traces of recent suffering were distinctly apparent on his pale and passionate features.

Harvey was arraigned in due form; the evidence was gone carefully through; and everything, so far as I was concerned, was done that man could do. But at the time to which I refer, the court on behalf of the prisoner—a practice since introduced from Scotland—and consequently I was allowed no opportunity to draw the attention of the jury to the total want of any direct evidence of the prisoner's guilt. Harvey himself tried to point out the unlikelihood of his being guilty; but he was not a man gifted with dialectic qualities, and his harangue fell pointless on the understandings of the twelve common-place individuals who sat in the jury box. The judge finally proceeded to sum the evidence, and this he did emphatically against the prisoner—dwelling with much force on the suspicious circumstances of a needy man taking up his abode at an

expensive fashionable hotel; his fugitive descent from his apartments by the back stairs; the undoubted fact of the watch being found in his trunk; the improbability of any one putting it there; but himself; and the extreme likelihood that the robbery was effected in a few moments of time by the culprit, just as he passed from the bar of the hotel to the room which he had occupied. "It" said he to the jury, in concluding his address, "you can, after all these circumstances, believe the prisoner to be innocent of the crime laid to his charge. It is more than I can do. The thing seems to me as clear as the sun at noonday. The evidence, in short, is irresistible; and if the just and necessary provisions of the law are not enforced in such very plain cases then society will be dissolved, and security for property there will be none. Gentlemen, retire and make up your verdict."
