#### Canadian Brigade For The British Army Manoeuvres.

Ottawa, Ont., August 5,-That Canada should send over to England in 1914 a Canadian brigade to the divisional and army manoeuvres is the proposition being urged upor Col. the Hon. Sam Hughes, Ministe of Militia and Defence, from all parts of the Dominion. The brigade would he under the command of the Militia Minister himself, and a staff of dis tinguished Canadian officers is also

The scheme suggests that the grigade should consist of four battalions of infantry and a composite corps consisting of cavalry, artillery army service corps, etc.

## Make Brigade From Various Regi-

The brigade would then be up as follows:

One battalion of Highlanders, composed of representatives of the different Highland Regiments from all parts of the Dominion

One battalion of Fusiliers Dominion. This battalion would be known as the "Bearskin Battalion." One battalion composed of the re- years. presentatives from the different Rifle Regiments of the Dominion.

sentatives of the other infantry regiments to be known as the "Scarlet Regiment.", Then representatives of the other arms of the service, cavalry, artillery, army service corps, and

othe units. The brigade would thus be representative of all the different arms of the Canadian service, and those to be taken would likely be chosen by the recommendation of the officers of the

The officers to be taken would de pend upon the recommendation of the officers commanding their district, and would depend upon the interest they have taken in their regi-
