Dancing Now at the Nickel

**SISTERS APPEARING IN
SINGING AND DANCING.**
The view in mind of giving its
a variety of entertainment,
management of the Nickel Thea-

to-day of the talented
sisters singing and dancing duo,
the Sisters. These clever ar-

any kind of dancing, whilst they also

songs, culled from musical

presented by the Dial Film Company

remembered, made preparations for
making of a Newfoundland pro-
duction. The story of "The Light
in the Clearing" is one of tense in-
terest. Wherever Ben Grimshaw went,
he would point him to his death,
for he was the love for Bart Bay-
ard and Sally Dunsberg. And Aunt
and Uncle Peabody found pleas-
ure in her smiles, as well as Joe
and the other good men of
the town. There was a reason why
Ben Grimshaw. What
the reason? See the film at the
theatre to-day.

As to Our Local Talent

Several Canadian and American
visitors who were present at the
theatricals presented lately, by our
local amateurs, expressed their sur-
prise and pleasure at the finish and
efficiency with which they were pre-
sented.

It is not presumptuous to say that
in comparison with any visiting pro-
fessional companies that have exhib-
ited here of late years, our own
amateurs in style, acting, deportment
and elocution have proved themselves
infinitely superior.

To-morrow and Wednesday night
Prof. Hutton and his talented troupe
present "Able's Irish Rose." Those
who have already seen this play will
see it again, and those who have not
seen it had better secure their tickets.
It will make you forget your cares,
and as one critic expressed it "it will
make you laugh till the tears come."

On Thursday they will present
"The Chinese Puzzle." This is a more
ambitious offering, but it has an all-
star caste, and has already added to
the fame of our local players. In con-
clusion, the greatest credit is due to the
troupe for their very successful
efforts in giving us refined and high-
class theatricals. When it is added
that they are giving their self-sacrif-
icing efforts free for the benefit of the
Mount Cashel Orphans, they will
evoke the sympathy of the general
public. The Brothers are quietly and
unobtrusively doing a great work, in
our midst, and their's is in the nature
of a public recognition. If you want
to do a real charity and at the same
time get well the worth of your
money, buy tickets for either or both
the plays that are given for sweet
charity's sake on Tuesday, Wednes-
day and Thursday.

ADMIRER.

Obituary.

MRS. MARY TAYLOR.

At Charlottown, on April 23rd, at the
ripe old age of 92, Mary, widow of
Richard Taylor, who predeceased her
some years ago, passed peacefully
away, after a short illness, borne
with Christian resignation, which was
characteristic of her whole life. She
was a woman of the old school, whose
long life was full of usefulness and
good deeds, and many there are who
can truly say of her "I am the better
for having known Mother Taylor." Her
maiden name was Quinton, being
the last of a family of twelve brothers
and sisters, all of whom lived to a
ripe old age. She leaves to mourn
1 son, 3 daughters, 21 grandchildren,
16 great-grandchildren. Five grand-
sons participated in the Great War,
three of whom paid the Supreme Sac-
rifice, namely Lieut. Albert Taylor,
M.C., D.C.M., C. de G.; Pte. George
Taylor, Canadian Regt., and Harold
Prince, R.N.R.

Laid to Rest

There passed to his eternal rest on
Saturday, May 3rd, Thomas R. Cook,
the well known farmer of White Hills,
son of the late George and Susannah
Cook in his 84th year. Left to mourn
are a widow and five sons, Henry, re-
siding at Sydney; Edwin, George H.,
Arthur Tasker of St. John's, and two
daughters, Mrs. Chaytor of St. John's
and Mrs. C. Burce of Los Angeles.
Cal, also three brothers, George R.
and Henry R. of St. John's and James
of Montreal; one sister, Mrs. George
Hammond of this city; also 35
grand-children and 9 great-grand-
children. The funeral took place this
afternoon and was attended by a
large discourse of friends and rela-
tives. Interment took place in the
family plot at the C. of E. Cemetery.

There are many people who never
use any toilet soap but Ivory and find
this the most economical and satis-
factory soap to use.

A Suggestion for the Railway Management

Editor Evening Telegram.
Dear Sir:-On behalf of a large
number of trouters working as clerks
in the city stores I wish to draw the
attention of the Railway management
to change the schedule of the even-
ing train from 6 p.m. to 6:30 p.m. on
the eve of a General Holiday. As all
these clerks must work until 6 p.m. it
is an impossibility for them to con-
nect with that train. The railway
management will surely profit by this
change, and will also confer a boon
to a large number of deserving men,
the mercantile clerks.
Sincerely yours,
JACK POND.
