

THE CANADIAN MONTHLY.—We have received from the publishers the June number of the "Canadian" which keeps up its character well, both in the variety and talent manifested in its articles. Captain N. W. Deekwith contributes a good paper "Concerning Canadian Ship-building: its record and resources." Hon. Mr. Justice Bliss sends "The marriage Hymn of Julia and Manlius." "Little Dorina," the fiction story, is continued. Penning's Taylor contributes "Notes on the Ballet." A new story, "Undine," commences in this number. Nicholas Flood Davin contributes a very readable paper on John Stewart Mills. The "Notes on the Session" are ably written, and are evidently the production of a keen observer, an impartial critic, and a man who cannot be influenced by partizanship. The selections poetry and the fine arts and current literature department, will all be found up to the standard of this first-class monthly. For sale at the bookstores.

The proprietors of the Dundee (Scotland) Advertiser offer through the columns of the *New York Herald*, (1) A premium of £50 for the best seam of paper made entirely of jute, suitable for printing the Dundee Advertiser, of which the maker will undertake to supply 50 tons, at a price not exceeding 4d. per lb. (2) A premium of £100 for the best seam of paper made entirely of jute, suitable for printing the Dundee Advertiser, and of which the maker will undertake to supply 100 tons at 4d. per lb. The specimens remain to be delivered at the Dundee Advertiser Office, on or before the 1st September, 1873. The sizes and weights of papers will be given on application to John Long & Co., Advertiser Office, Dundee, Scotland.

CANADIAN GUIDE AND BOOK OF REFERENCE.—We have received "Lacroix's Canadian Guide and Book of Reference." It is a large pocket volume, and to any one travelling in Ontario would be of great use. It abounds with descriptions and statistics of all places along the lines of railway in the Province of Ontario, including a description of the city of Quebec. Besides this, it has a large and official map of Ontario. The information is full, and in some instances, shows much inquiry and research. In cases referred to this is correct, a great necessity in a *guide* for any traveller. Ask for the Guide.

Breakfast.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—"By thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—*Civil Service Gazette*. Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES ERPS & Co., Homeopathic Chemists, London."

It is no wonder that invalids lose faith in all specifics, when so many worthless medicines are advertised for the cure of various diseases: but which, when tried, are found wanting. We have yet to learn, however, of the first failure of *Dr. Wistar's Balsam of Wild Cherry*, to cure coughs, colds, and pulmonary disease.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Erps & Co., manufacturers of dietic articles, at their works in the Euston Road, London.—See article in *Cassell's Household Guide*. J206mdw

PHOSPHOROUS, Lime, Iron, Calcium or Paris Blue.—Dr. Wheeler's Compound Elixir of Phosphates and Calcium combines these valuable remedies in the form of deliciously flavored Phosphorous lemon-foot, Lime, an excitant of nutrition; from a blood maker; and Calcium or Paris Blue, the only source of chills and fevers, and all conditions of nervous prostration and general debility. Phosphates are the only agents known that act immediately on the stomach, perfecting the digestion and assimilation of food, and determining the formation of pure blood. No combination ever discovered is so remarkable in building up constitutions run down with old complaints that have heretofore resisted all ordinary methods of treatment. Sold by all druggists.

WISTAR'S BALSAM
OF
WILD CHERRY
THE GREAT REMEDY FOR CONSUMPTION
 which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
