EADY RHEUMATISM, SCIATICA Strong Testimony of Emigrant Commissioner the Hon. George Starr, as to the Power of Radway's Ready Relief in a Case of Sciatic Rheumatism. Van Ness Place, New York.

Dr. Radway—With me your Ready Relief has worked wonders. For the last three years I have had frequent and severe attacks, sometimes extending from lumbar regions to my ankles, and at times to both lower limba. During the time I have been afflicted I have tried almost all the remedies recommended by wise men and feels, hoping to find relief, but all proved to be failures. I have tried various kinds of baths, manipulation, outward application of liniments too numerous to mention, and prescriptions of the most eminent physicians, all of which failed to give me relief. Last September, at the request of a friend (who had been afflicted as myself), I was induced to try your remedy. I was then suffering fearfully with one of my old turns, To my surprise and delight the first application gave meesse, after bathing and rubbing the parts affected, leaving the limbs in a warm glow greated by the Ready Relief.
