**AUSTRIA LONGS** 

BELIEVE WORST HAS COME

FOR PEACE, BUT

Think Somme Offensive and Rumania's Move Are Last Entente Trumps.

VIENNA, Sept. 21 .- (Correspondence).-With a keen longing for peace has come persistent speculation in the central states as to the manner in which this blessing may be secured. But all thought on the subject remains what it has been for nearly two years. the substance of the person's own wishes. Political and military circles today are as far from seeing a defin-ite plan for the cessation of the war as they were when the catastrophe

first overwhelmed Austria.

In Berlin and Vienna they continue setting their teeth when the word peace is mentioned, not because war is wanted, but for the reason that up to this moment the Entente governments have shown no inclination to enter a meeting on this ground. The Entente has not shown that it ca ultimately realize its own hopes, is the universal view held in Austria-Hungary and Germany and their al-

## \$10,000,000 a Year Wasted On Trusses

Pte. G. E. Gordon, 24 Elmwood How 60 Days' Trial Protects You Against Throwing Money Away

Ninety-nine out of every hundred ollars spent for elastic and spring usses might about as well be thrown Close to ten million dollars a year-

A Mere Try-on is a Snare.

You can't possibly tell anything about a truss or anything else for rupture merely by trying it on.

A truss or so-called "appliance" may seem all right at first, and afterward prove utterly worthless.

The only way in the world you can make sure of exactly what you're getting is by making a thorough sixtyday test, without having to risk any money.

The Only Thing Good Enough to Stand a 60-Day Test.

There is only one thing of any tind.

days without having the holder.

We'll make one especially for your and how little it costs.

We'll make one especially for your and how little it costs.

penny.

If it doesn't keep your rupture from it may free you from trouble for coming out or bothering you in any way, no matter how hard you work or strain—if it doesn't prove every claim we make—then you can send it back and it won't cost you a single cent.

Made on New Principle.

Made on New Principle. This guaranteed rupture holder—the famous Cluthe—is so utterly different from everything else for rupture that it has received eighteen separate patents. It is far more than just a truss. Made on an absolutely new principle. Unlike everything else, it is self-regulating, self-adjusting — instantly

against every strain, so your ruptur-can't possibly be forced out,

against every strain, so your rupcure can't possibly be forced out. And in addition to this constant holding, it provides the only way ever discovered for overcoming the weak Just how it does that—entirely auto-matically—is all explained in the free book which the coupon below will bring

No Belt-No Leg-Straps-No Springs Does away entirely with the curse of belts, leg-straps and springs, People who have tried it say it is as comfort Will Save You From Operation

in this country alone—is practically wasted on such contraptions.

And all simply because nine sufferers operation. It has completely cured hundred making a thorough test,

The Only Thing Good Enough to a 60-Day Test.

There is only one thing of any kind for rupture that you can get on sirty days' trial—
Only one thing good enough to stand such a long and thorough test—
That is our guaranteed rupture
That is our guaranteed rupture

heider.

"methods," "plasters," etc.

It shows why wearing elastic or spring trusses is almost sure to shorten your life.

And it tells about the famous Cluth—how simple it is—how it ends constant expense—how you can try it sixt days without having to risk a penn and how little it costs if you keep it.
