J. FERGUSON'S SONS

174 to 180 King Street. East of Richmond Street.

SPECIAL TRAFFIC LIGHTS ARE URGED

Hanging Signals at Main Intersections Considered by Committee.

TAXIS A PROBLEM

Problems concerning the regulation of traffic at Dundas and Richmond streets were considered at last night's session of the traffic committee. It was probably the last meeting of the committee this year.

Recommendation that special hanging lights, as traffic signals, be secured for the principal street intersections, was made. The original proposal that signal lights be placed on each of the four corners of the intersections was discarded as too elaborate and expensive, and the principle of the suspended signal at the center of the street was endorsed. Besides red "stop" lights and green "go" signals, there will be amber lights, showing of which is an indication for street cars to make the left-hand turns and for pedestrian traffic to cut corners.

Proposals of several firms regarding the signal light apparatus are being investigated. The committee recommended that not more than four taxicabs be permitted to take up their stand at any one time south of the entrance to the C. N. R. depot on Richmond street. Ed Bernard and Police Chief Birrell both lodged strenuous complaints against the taxi men exceeding the half-hour parking limit. Chairman Allan Towe stated that the C. N. R. would not permit the use of their property at the rear of the depot as a taxi stand.

Chief Birrell wanted licenses issued to only those who had two or more cabs and make them name a place of business. Windsor, Montreal and other cities had "chased" the taxi men off the streets, and made them operate from a place of business.

General Manager Leonard Tait and Superintendent Harry Humston of the London street railway offered co-operation if the city secured the use of a tractor snow cleaner for the business street in winter. City Engineer Near stated that a man might be found to clean the streets on contract with the aid of a privately-owned tractor, and the process would be efficient and the cost not excessive. The committee asked the street railway to co-operate if the city were to clean the street railway tracks downtown.

W. L. Squires, deputy minister of highways, wrote that the London proposal to have "stop" streets authorized in the motor vehicles act was being considered with some favor.

W. L. McDougall, Hamilton road builder, asked to have a silent policeman placed on his street at the Eglinton street intersection. No action was taken.

RAILWAYMEN PROTEST ADDRESS OF PASTOR

One hundred and sixteen employees of the C. N. R. earshops attended a meeting in the dining-room of the building Wednesday night to consider what action should be taken regarding the use of the term "beer-soaked Englishmen" by Rev. Dr. Bowley Green last Sunday night from the pulpit of the Talbot street Baptist church.

David Mills, chairman of the meeting, said that if the remarks had been levelled at Italians, Frenchmen, or any other races represented in Canada, they would have been equally untrue and just as offensive. A resolution was framed and adopted with the amendment that it be forwarded to the Baptist union of Toronto.

THOUSANDS ARE GOING HOME FOR THANKSGIVING

Thanksgiving this year falling on Monday, Nov. 10, allows an unusually long week-end, and permits traveling distances which would be impossible in a shorter period. Thousands are arranging to visit the home folks or out-of-town friends.

The passenger department of the Canadian National Railways are making special arrangements on all routes to provide the public with easy traveling comfort. Nevertheless, as it is impossible to estimate the number who will be travelling, it would be wise for all those who anticipate taking advantage of this occasion to make their reservations as soon as possible.

For full information, apply Canadian National Ticket Agent—Adv. N35,7

SUCCESSFUL EUCHRE.

Mrs. Valsden won the first prize for the women at the G. W. V. A. euchre held last night in the Labo temple. The first prize for men was won by Lewis White. When it came to the hooley prize, the winners were Mrs. Dunn and Fred Gower. J. McNamara, who was chairman of the committee in charge, reports a good attendance and says there will be another euchre party next week and that he is now arranging to hold a G. W. V. A. dance in the same rooms before Christmas.

Two Meet Death As Canoe Upsets

Canadian Press Despatch.

Elk Lake, Ont., Nov. 7.—With his father and two sisters looking on and unable to render assistance, Lee Guimond was drowned within a few feet of safety, following an accident to his canoe on a bay in the Montreal river, about 40 miles from here. Emil Gelina, his companion, also perished when the craft upset in a strong wind.

The men were both 23 years old and both were unmarried. Their home was in Quigues, Que. Returning from a timber inspection trip in connection with work Guimond's father was undertaking for the J. R. Booth Company, their canoe capsized 150 feet from the shore.

TOWE IS READY FOR RACE AGAIN

Traffic Committee Chairman Takes Precautions to Qualify Before Making Trip.

Ald. Allan Towe will again contest the election in ward one, and he was today arranging to have qualification papers filled in the event of his absence from the city a week from Tuesday.

The chairman of the traffic committee leaves on Sunday for a visit in Chicago, and he plans to be away at least a week. He will put in some time at the Chicago auto show and look over a number of the latest traffic signal devices. On the return journey, he and Mrs. Towe will visit several Michigan cities to get a further idea of how they handle traffic problems.

"I think I shall be back a week from Monday," Ald. Towe told a reporter today, "but if I am delayed longer and am not back for qualification day, I have arranged to have papers filled then."

So far, Ald. Nelson Walsh of ward two, who is only one of the present council to say definitely that he will not again be a candidate. Amongst the "new blood" which is mentioned is Frank Jones in ward two, and Lloyd T. Hochin in ward four, besides a number of Labor candidates. A. R. Throver is a likely candidate in ward one.

Ald. Harry Bottrell of ward two told The Advertiser today that much depended on two business deals which he hoped to put through. He said that he might be tied up by his business during the coming year, and this might prevent him from standing again as alderman.

It is believed that Ald. Shaw of ward four is inclined to look more favorably upon contesting the elections again, though he at first thought that business reasons might prevent him.

POPPIES BEING SPREAD THROUGH CITY TODAY

Real Drive For Funds Will Be Launched Downtown Tomorrow.

Poppies are being offered today in the outskirts of the city by about 60 workers of the poppy day committee and good revenue are being received so far. More than four hundred workers have been retained by this committee, consisting largely of school girls and boy scouts, who will start their canvass after school closes today at 4 o'clock.

Tomorrow at 9 o'clock the real drive will start in the downtown sections of the city. Every corner and crossing will be occupied by one of the workers and poppies will be offered by staff and patients alike as the brightest event of the season. Twenty-seven thousand poppies have been secured for the day and a large number of fine poppy sprays, suitable to be placed in windows on display came in today from the Toronto headquarters.

JOE BROWN'S CONCERT HAILED WITH DELIGHT

Joe Brown's annual concert at the Victoria home for incurables, given last night, eclipsed in every way entertainments of other years and was hailed by staff and patients alike as the brightest event of the season.

Sergt. MacDonald's kilt band was again present and the talented pipers gave a tremendous ovation. Several solos were rendered by Miss D. Brown, Miss Fitzgerald and Chris Pink, while Betty and Margaret MacGregor delighted with readings. Splendid solos were also rendered by Mrs. Phair, Mrs. Phinn and Miss McDougall, of Knox Presbyterian church.

An intricate ballet dance by Daisy Hill and a novel Spanish turn by Miss H. Skuse added color and variety to the program.

SUBSTATION PLAN GIVEN APPROVAL

Commission Indorses Proposals for New Transformer Plant Here.

Matters of importance dealt with by the public utilities commission at its regular meeting yesterday afternoon pertained to the erection of the new transformer sub-station on Carling street and improved street lighting similar to that at present in vogue on King street east.

The commission formally approved of the plans and specifications for the new sub-station as submitted by Manager E. V. Buchanan, and prepared in the commission's drafting department.

Manager Buchanan was also informed by the commission in his proposal to extend the halophane light system to include at least two other streets in the city, naming Waterloo street, Queen's avenue or Hamilton road.

The plans for the new sub-station, to be known as No. 4, call for a two-story brick building, with gable facings. It is to be erected at an approximate cost of \$12,000. The transformers will be placed in the basement of the building, the low tension wires and switchboard in the first floor and the high tension wires on the top floor. Construction is to be proceeded with almost immediately in accordance with plans suggested by Manager Buchanan, but not definitely completed.

Commissioner Philip Pocock, who was particularly concerned in the securing of the property on Carling street for the site of the sub-station for the sum of \$4,000, was accorded a vote of thanks by his fellow commissioners.

Route business transacted at the meeting included instructions to Manager Buchanan that the Canadian National Railway company be informed that the commission refuses to raise its wires over the company's tracks going into the McClary manufacturing company plant, since the track had been laid without permission or consultation with the commission.

Water mains were approved on Ashland, Eleanor, York and Rattle streets.

Arrangements with the proprietor of the pony ring at Springbank park with regard to next year's privileges were referred to the parks commission.

The commission declined to purchase calendars from the hydro-electric power commission of Ontario at the rate of 81-2 cents each for the purpose of distributing them among its customers.

SOUTH LIBRARY MUST BE VACATED IN YEAR

School Board Names Time When Schoolroom Will Be Needed.

The school board will require the public library board to release the room in Trafalgar school now being used as the southeast branch library in September next. The letter to the members was read at the meeting of the board held in the public library last night.

While the board does not expect any action to be taken until next year, a finance committee was appointed to take care of the matter. The monthly report submitted by Librarian Richard E. Crouch shows the circulation of the main library increased 1,100 volumes during October over the same period last year, and the southeast branch increased 600 volumes. The total circulation for the month was 28,746. October last year showed 29,230. The difference was due to the south branch being closed.

New cards issued in October were 42. The library is being used by 24,701 people. The children's department enjoyed phenomenal growth during October, the increase in circulation being over 1,000 volumes. Five hundred new books were added last month. The literature section shows the greatest increase. In general works, 2,000 such books were circulated.

SCOUTS' SEVENTH TROOP HOLDS WEEKLY MEETING

The seventh troop of boy scouts of London gathered in their club rooms last evening and held their weekly meeting with a good attendance. Fifteen scouts were present and eleven cubs.

The scoutmaster, Gordon Berry, has appointed Mr. Barry, a young Englishman, as the assistant scoutmaster of the troop. Mr. Barrycott has had a great deal of valuable experience in scout work in the old country.

Several boys passed their tenderfoot tests and a few their second-class tests. It was expected that more will be eligible by next week.

On Tuesday evenings the scouts of the seventh troop will be the guests of the Christ church troop and will assist in unveiling the wreath to the memory of the soldiers in the great war.

Tonight they will be the guests of the eighth troop of London at 518 Dufferin avenue.

M'DONALD TO ADDRESS COMMUNIST GATHERING

Jack McDonald of Toronto, president of the Canadian labor party, will speak on Sunday afternoon at a meeting of the communist party to be held in St. George's hall, 212 Dundas street. This meeting was announced last night by L. R. Monies, who is one of the labor nominees in ward three. The meeting will be held at 8:30.

FERGUSON ASSURES G.W.V.A. THAT HE IS COMING MONDAY

A letter received today from Premier Howard Ferguson by Harry Wray, president of the local command of the Great War Veterans' association, gives the former's assurance that he will be on hand in London on Sunday for the unveiling ceremony of the Lady Beck memorial at Byron Sanatorium and the armistice day service, which will also be held at that date.

LONDON ST. THOMAS WINDSOR SARNIA WALKERVILLE

LONDON BROTHERHOODS TO MARK ARMISTICE DAY

An Armistice day rally of all city brotherhoods will take place at Askin street Methodist church Sunday school at 9:45 o'clock on Sunday morning. First Methodist brotherhood has arranged the program, and have secured Lieut.-Col. C. M. R. Graham as the speaker. All the men of the city are cordially invited, and a record attendance is requested, so as to do due honor to the million who learned and practiced sacrifice for others—"Lest we forget."

FREE TRANSPORTATION PROVIDED FOR VETERANS

Announcement was made today by Harry Wray, president of the G. W. V. A. in London that free transportation from the city to Byron Sanatorium would be provided all ex-service men desirous of attending the unveiling of the Lady Beck memorial on Sunday.

Ten street cars and a number of automobiles will meet in front of the city hall at 1:30 o'clock. According to Mr. Wray, a record turnout is expected.

TWENTY-EIGHT IS TOLL OF PNEUMONIC PLAGUE

Several New Cases Reported in Los Angeles Mexican Sector.

Associated Press Despatch. Los Angeles, Calif., Nov. 6.—Two deaths today from pneumonic plague increased the toll to 28 victims since the disease became prevalent in the Mexican quarter here October 19. Four new cases have been discovered in the Mexican sector and in the Belvedere district, eight miles from here, in the past 24 hours. Total number of cases is 37.

TWO ARE REMANDED.

St. Marys, Nov. 6.—Two St. Marys youths who recently arrested on a charge of "indecent assault" came up before Magistrate Makins of Stratford here this afternoon and were remanded for eight days on bail of \$1,000 each.

INQUEST INTO BABE'S DEATH WILL BE HELD TONIGHT

An inquest into the death of John Hugh Woodhams, baby son of Mr. and Mrs. J. H. Woodhams, 12 Askin street, who was killed when run over by a street car at the corner of Wharncliffe road and Askin street Tuesday, will be held tonight at the police station.

A jury empanelled by Coroner Dr. Robert Ferguson, visited the scene of the accident yesterday. The jury includes: J. G. Pritchett, John Anderson, George Steer, Thos. Casey, T. W. Thomas, Percy Ashton, T. Rice, F. H. Thompson and L. Brigham.

MANY SQUIRRELS. Squirrels at Port Stanley this year are exceedingly plentiful, the black and gray species being the most common.

This is the sixth year that a close season has been in force for the black squirrel and in that time they have multiplied at a fast rate.

SUSPENDED SENTENCE.

James Murray was allowed out on suspended sentence for one month under bail when he appeared in police court this morning on a theft charge.

GOOD NEWS FOR BRONCHITIS SUFFERERS!

Deep-Seated Chest Troubles Yield to PEPS.

BRONCHITIS lays hold of the chest in a slow insidious way. Do not, therefore, neglect to take prompt measures to counteract the first symptoms of this ravaging ailment—the first difficulty in breathing, the occasional made-up feeling in the throat with its accumulations of phlegm. Be warned by that irritating cough and those frequently-returning colds.

Get a box of Peps, the well-known breathing remedy. After removing the silver wrapping place a Peps tablet on the tongue and breathe in the healing fumes as the tablet dissolves.

Peps are simply invaluable for allaying that teasing, tickling cough; for softening and loosening the phlegm, and soothing the irritated and semi-inflamed bronchial tubes. Every day as you breathe in the powerful germicidal fumes which are emitted from these Peps, a healing influence is extended deep into the lungs where liquid cough mixtures cannot penetrate.

The regular use of Peps at bedtime will ensure healthy slumber undisturbed by bouts of coughing. By day, the treatment should be continued on the assurance that the throat, bronchi and lungs are all being healed and strengthened by this medicine.

Peps are guaranteed to be absolutely free from opium, laudanum, chloral, morphia and any harmful ingredients of the old-fashioned cough medicines.

Dr. GORDON STABLES, M.D., C.M., writes:—"Fear every little cold. Keep Peps handy and you will ride triumphantly clear of bronchitis. Peps are invaluable for soothing and healing semi-inflamed bronchial tubes. Peps tablets are more of an inhalation, and go directly to the seat of injury."

Whilst Peps are an expensive remedy to produce the demand has become so great that it is now found possible to have the price reduced from 50c. to 25c. Get a box today! All druggists.

PEPS The Great Breathable Remedy

Genuine BAYER ASPIRIN

Insist on BAYER TABLETS OF ASPIRIN
