Groceries are fairly setive, with dried fruits selling freely. Priceasal around are firm, and payments are encouraging. Sugars are a fraction higher. The number of failures was small, and the general iceling is one of confidence.

There is still a large export demand for grain, chiefly wheat and oats. Shippers are very busy and there seems to be little tup to cable orders. Money is in good demand but unchanged. Many of our banks are employing their surplus funds in large United States cities, where the demand for money is brisk. Prime commercial paper is discounted in Toronto at six per cent. and call loans are quoted at four per cent. New York drafts are firmer than for some time. The Bank of England discount rate is unchanged and the open market rates are firmer trates are firmer trates are firmer trates are firmer are incouraging.
