## BASEBALL NOTES AND JOTTINGS

**Vics Score Over the I.C.R. on Monday Assisted by Mr. Errors**

The game at the bawlyard on Monday evening could be best described as a "swat fest" and a "comedy of errors," when the Vics and I.C.R. battled for the bigger end of the gate receipts. The encounter was viewed by a good attendance of the youth and beauty of the town, newly-weds, moneyed magnates, and the general public. The evening was all that could be desired, and many beautiful costumes were shown, the latter fact might interest some who have not yet paid the price of admission to the expensive seats in the stand beside the aforesaid magnates and is given as information absolutely free.

The I.C.R. took the field and Delaney opened the Vics innings. He and Roy who followed, swung three death-dealing swings at a Blaud's pill which like the Irishman's flea was in two places at the same time, then Stewart got an infield hit. With Pond up Stewart stole second went to 3rd on Lavoie's error, and then Hedley promptly struck out leaving Stewart without visible means of support on third.

For the I.C.R. Mersereau hit to right, Shirley advanced Mersereau to second, where he was out after Duncan's catch of Keith's fly. LeBlanc struck out, Shirley dying at first.

In the second innings the Vics got a good connection with the ball, getting five hits and assisted by a few errors tallied six runs. Fraser first up hit through third. Matthews had safe hit and got to second scoring Fraser. Mowat got to first on Shirley's error, and with McLean up both effected a steal, Matthews scored and Mowat brought up on third on passed ball by Mersereau, then McLean struck out. Mowat scored on a passed ball, and Duncan fanned. Delaney got to first on Mersereau's bad throw, then Roy hit to left field for three bases scoring Delaney. Roy followed on Stewart's hit to centre for two bases, Stewart stealing third with Pond at bat, whose single scored Stewart. Fraser flied out to Roy leaving Pond on first. Six runs. Some innings.

The Railway Boys, Woods, Davis, and Malcolm were out at first in consecutive order (i.e. one after the other). In the third session the Vics got McLean to first where he died, and the Railway boys then gave up thinking about "Jack's Wife" and the Vics took a hand in dreaming of the glorious creature. To begin with Lavoie fanned. Roy got to first on Duncan's error, and with Matthews' continuing the good work by fumbling Mersereau pulled up on first. Shirley hit to centre filling the bases, Keith with a timely single scored Roy then Mersereau stole home. LeBlanc's hit again filled the sacks with one out, and Woods hit for two bases scored Shirley and Keith. Woods was out at third and LeBlanc tallied, while Davis struck out. Total five runs.

In the fourth for the Vics, Delaney was out at first, Roy hit through 3rd base and stole second. Stewart's wallopp scored Roy. Pond safe on infield hit, Stewart being tagged out on second. Fraser punched out a two bagger, and Pond came home on Mersereau's bad throw. Fraser died on third when Matthews' struck out. The I.C.R.'s tale, Malcolm struck out, Lavoie struck out Roy at first.

Lavoie went into the box in the fifth and heralded his appearance by an error giving Mowat first base. McLean got free ticket both advancing on passed ball by Mersereau. Duncan out at first. Delaney struck out. With Roy at bat, Mowat and McLean scored on bad throw by Mersereau. Roy struck out.

In the Railway half, Mersereau hit to left field. Shirley safe, going to second and Mersereau to third on Mowat's error. Keith flied out to Duncan. Mersereau scored on LeBlanc's out at first. Woods hit to left scored Shirley, Woods dying on first when Davis struck out.

## COUNCIL MEETING TUESDAY EVENING

**Assessment for this Year Fixed a \$36,000—A Slight Increase.**

The Town Council met on Tuesday evening in the Council Chambers, His Worship Mayor Andrew presiding. There were present councillors Alexander, Miller, White, Quinn and Pinault.

The minutes of last week's meeting were read and confirmed.

Communication was read from the Canada General Electric Co., with regard to the account for the new street lighting plant was referred to Electric Light committee. Communication was read from Mr. J. W. McCready, secretary of Union of New Brunswick Municipalities asking if there were any names to be forwarded as delegates for the convention of municipalities at Saskatoon in July. Letter read on table.

The following reports of committees recommending payment of accounts were received and adopted, viz councillor White, Police and License committee, \$94.50; White, Fire protection, \$90.89; Miller, Finance, \$46.03; Alexander, Water and Sewerage, \$5.51.

Before the Finance report was adopted which included a bill for Graphic printing and advertising, Councillor Pinault said that there were two printing establishments in this town and he did not see why Mr. C.S.O. Crockett should not receive some of the printing orders of the town. He also questioned the amount paid out for advertising Dog Taxes and the purchase of dog tags, the sum paid out nearly amounting to the total amount received from dog taxes last year which was \$15.00.

Councillor Pinault was informed that the latter question was in the magistrates hands, not the council. In reply to the first question regarding printing matter, His Worship informed councillor Pinault that personally he had always found that the Graphic charged only about half of what the other man did, and no doubt that would be taken into account when printing orders were placed. The matter then dropped.

Councillor Pinault presented to the council a new proposed grade on Roseberry Street from Minto to the subway, which after discussion was accepted by the council. This will call for the raising of the street level about 2ft 7in at its lowest point.

Councillor Quinn brought before the notice of the council the condition of the basement of the house occupied by Mrs. Allen C. Miller, which had been flooded by sewerage for nearly a month. Councillor Alexander informed the council that the matter had been brought to his notice, but the break and stoppage of the sewer pipe was on the property and could not be repaired by the town. It was a matter for the proprietor of the house to attend to. After further discussion the matter was left in the hands of the Board of Health.

The council then went into committee of the whole to deal with the assessment for the year 1913.

Deputy Mayor White was chosen chairman. After due consideration the following assessment was recommended to be imposed, and adopted by the council.

## GOOD PLAY SHOWN AT OPERA HOUSE

**Large Crowd Grooms Mr. T. H. Bird and Company of Amateurs**

Since the advent of Mr. Theodore H. Bird in our midst, all classes have been looking forward to the performances of "Jack's Wife" in which so many of our young people were taking part. A goodly crowd gathered to see the first performance last evening and on all sides nothing is heard but praise for the excellence of the entertainment. It says much for our local talent and a great deal for Mr. Bird, that such an entertainment as given last night, could be worked up in such a short time.

The work of the principals in the cast was of the best, Miss McLatchey making a splendid lead and the other ladies working to their parts whole heartedly.

The male members were also very good, Mr. Mersereau and Mr. Sargent being best in their parts. Although Mr. Harry Ferguson did his part well some people thought he was a little stiff, but then Harry is not old, and the spirit of youth is bounding in his veins. Mr. Wallace as the lover was very good, but will improve with a little experience.

Taken all over the specialties were in a class by themselves, and a good house is assured for this evening. A matinee will be given on Saturday afternoon.

The full cast is as follows:

Jean McLatchey as Mercy Baxter, Jack's Wife; Muriel Mowat as Edie Henderson, Harry's sweetheart; Lucy McInnis as Emma Watson, looking for a husband; Yvonne McLennan as Mrs. Henderson, Jack's mother; Harry Ferguson as Jethro Baxter, a rough diamond; C. R. Mersereau as Prof. Philander Potts, looking for a wife; Geo. Wallace as Harry Woodthrope, in love with Edie; Edmund Sargent as Wally Henderson, a college boy; Burgess as Jake Baxter, a rube; Theodore H. Bird as Jack Henderson, a man of the world.  
Act I.—Hendersons' Camp near New York City, "The Proposal."  
Act II.—Home of Jethro Baxter, "The Wedding Day."  
Act III.—Jack Henderson's Bungalow, "The Awakening."  
Act IV.—A fancy dress reception at the Henderson Home, 5th Avenue, New York City, "The Meeting."  
Specialty between Acts I and II—"The Trail of the Lonesome Pine." Solo by Mr. George Myles, assisted by Irene Murray, Hazel Mowat, Florine Nelson, Bertha Ferguson, Isabel Cameron, Nellie Annett, Kathleen Dickie, Greta Metzler, Jennie Sheels, Helen Davidson, Jean Henderson, Margaret McLennan, Lena McLean, Ethel Murray, Estelle McKenna, Lou Gilker, Rena Murray, Ruth Cameron, M. Gallagher, and Mrs. J. B. Sowerby, Messrs. H. Conrad, B. Dodge, O. Mowat, H. C. Shirley, F. W. Kelly, L. E. Dawson, R. J. Lavoie, C. B. Farrar, E. B. McLatchey, R. Malcolm, W. P.

Interest on School Bonds, \$1200.  
Sinking Fund, \$7500.  
Total \$33,500.  
Showing an increase of \$2500.  
Council then adjourned.
