We don't ask you to encourage
home industry,—we ask you to see
the quality of goods we manufacture
and get our quotations. Goods man-
ufactured by us are considered High-
Grade in the leading cities of Canada.
Foreign woods imported direct from
the south.

MAIL ORDERS

We solicit out of Town orders, which receive
our personal attention. The length of time in-
ter to fill orders is governed very largely by how
busy we are in the department of our factory in
which the particular goods are made. While
we have exceptional facilities for promptly
turning out goods, it is important to place or-
ders as far ahead as possible. Orders are filled
by us in the rotation in which they are received,
and customers can always depend on our doing
everything in reason to give prompt despatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SE-
PARATE LINES INSURING PROMPT ATTENDANCE.
OFFICE HOURS—7 A. M. TO 6 P. M.

OLD SOCIETY GETS NEW LEASE OF LIFE

Last Friday evening a well attended meet-
ing of interested Campbelltonians was held in the
office of Mr. Hugh A. Carr, for the purpose
of appointing officers in the reorganized Cal-
edonian Society. Mr. D. F. Graham was called
to the chair and briefly stated the object
of the meeting.

The following officers were then unani-
mously appointed:
Pres.—Mr. A. D. McKendrick.
Vice Pres.—Mr. Wm. Currie.
Treas.—Mr. D. F. Graham.
Secy.—Mr. John G. MacColl.

On ballot the following gentlemen were ap-
pointed to the Executive: Messrs Harry
Miller, H. W. Ferguson, H. M. McLennan,
H. A. Carr, and J. C. McDonald, who with
the officers will form the governing body of
the society. The dues for this year were fixed
at \$1.00, and over twenty members signed the
roll of the society.

It was resolved to hold a St. Andrew's
Day banquet on the 28th November, the ar-
rangements being left in the hands of the
executive, for which invitations will be issued
and will be confined almost entirely to mem-
bers of the society. For the purpose of ad-
mitting new members a special meeting will
be held on Friday the 21st November in Mr.
S. Loughlin's office, and persons who desire
membership would be well to send their
names to the secretary at least seven days be-
fore the date of meeting.

It was decided to confer the privilege of
Honorary members of the society on Messrs
Arch. McKenzie, and John McAllister for
their valued services to the society in days

FATAL SHOOTING ACCIDENT SATURDAY

Bathurst, N. B., Oct. 26—A sad shooting
accident occurred at North Teguouche yes-
terday afternoon, when Augustus Carter,
aged 30, married, was shot and almost in-
stantly killed by an accidental discharge of a
gun in the hands of Bernard Carter, a younger
brother of the victim. The men were on a
hunting trip and were climbing a fence when
the trigger caught on some protuberance, and
the charge entered the breast of Augustus
Carter. He collapsed at once, but his brother
put his body across his shoulder and carried
him home, where he died a short time later.
An inquest was considered unnecessary.

THANKSGIVING

Harvest Thanksgiving Services were held
last Sunday in Christ Church. The church
was very artistically decorated with wheat,
oats, vegetables and other products of the
North Shore. The stately harvest hymns
were heartily sung by the choir and congrega-
tion. The offerings were most liberal, but
owing to the inclemency of the weather the
congregation were not as large as they would
otherwise have been.

The meeting was a most business like and
enthusiastic one, and starting off in such shape
bids fair to do much good in fostering the
spirit of friendship and Seagun brotherhood,
and already a large number have signified
their intention of joining. The program for
the year has not yet been compiled, but it is
probable at the next meeting the executive
will have some plans to lay before the society
for their approval.

DEATH OF MR. ALEX. MACDONALD OF I.C.R.

Death has once more visited our midst and
carried away another of our much respected
citizens, Mr. Alexander MacDonald, locomotive
engineer on the I. R. C., having been
called to his eternal rest about 8 o'clock Tues-
day morning after a lingering illness.

Mr. MacDonald has been in comparatively
poor health nearly ever since the Campbell-
ton fire but was compelled to discontinue his
work some months ago, and on the advice
of his physician and friends he went to the
Royal Victoria Hospital in Montreal but re-
turned with no apparent improvement in his
condition. Always of a very quiet yet very
happy disposition he bore his sufferings with
the greatest Christian patience and fortitude.

Mr. MacDonald was a member of St. An-
drew's Presbyterian church. He was born in
Campbellton forty five years ago and entered
the services of the I. R. C., when a mere boy,
being promoted to the position of engineer
about fifteen years ago. Mr. MacDonald was
in an accident at Rimouski with engineer
Tom Matheson some years ago and had his
arm broken, also in a double header and with
engineer McNutt and Devereau ran into a
land slide at Morrissey Rock tunnel, one fire-
man, Angus Gorham was killed, and Mr.
MacDonald very badly shaken up. He was an
enthusiastic and consistent member of
Snowdrift Div. No. 138 of Campbellton, al-
ways ready to do anything for the good of the
order and to further the interests of the boys
in line, who always held a warm place in his
heart. The members of the Lodge will at-
tend the funeral this afternoon and assist with
the services. He was also a member of the
Masonic order, but of late has not attended
meetings regularly.

About nineteen years ago Mr. MacDonald
married Miss Ida Bastin, daughter of the late
Wm. Bastin, locomotive engineer of Camp-
bellton, who was killed in an accident result-

BAD CASE OF NILE DEPRIVITY

The series of burglaries which was distur-
bing the town's people for the past few weeks
had a startling denouement when three young
boys were arrested on Saturday, charged with
the crimes. Starting with the stealing from
H. C. Montgomery on the Subway, it will be
remembered that a number of merchants and
others were the victims of similar depredations,
and under the instructions of Chief Hughes,
Officers Mann and Chamberlain were detailed
to the cases. Settling down to their work the
officers obtained their first clue on Saturday,
and following it up closely were enabled to
locate the culprits, and after applying for war-
rants, placed George and Robert Thompson
and Hodgman Harris, all under twelve years
of age under arrest.

The three boys were brought before Police
Magistrate Matheson on Monday, and a
charge made against Harris for breaking into
and stealing from Thomas Doherty's lunch
wagon on Victoria Street. The court room
was cleared, the accused being tried under
the Juvenile Act, and his case adjourned till
Friday, he being allowed out in the charge of
his parents.

Many of the stolen articles were found at
the house of the Thomson boys, and they
were remitted to Dalhousie to await trial at
the first sitting of the county court. It is
understood the boys confessed to the burglaries,
making various excuses for their actions.

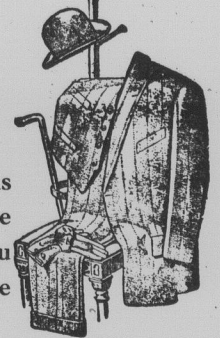

ing from a broken wheel at Petit Roche in
the winter of 1898.

Beside a widow Mr. MacDonald leaves a
family of six children, the youngest only a
little over a year old, to mourn the loss of a
kind and loving husband and father. Two
brothers also survive, Mr. I. Howe Taylor
and Mr. John MacDonald of Campbellton.

The heartfelt sympathy of the entire com-
munity goes out to the family in their sad
bereavement.

FERGUSON BROTHERS

GREAT OVERSTOCK SALE
