The Musical Opinion and Music Trade Review, published in London, Eng., April 1, 1897; under the heading CANADIAN MUSICAL EXHIBITS AT THE COLINDIES EXHIBITION, has the following:

Referring to Piano Fortes of Messrs. Heintzman & Co., Dr. Stainer says as follows: "I much regret that, owing to the late period at which I was called upon to make a report, all the more important instruments exhibited by this firm HAD SEEN SOLD AND REMOVED. But those remaining fully justified their high reputation. An Upright Grand, which I examined was in every respect a fine instrument; the touch was sympathetic and had a good repetition; the fone was full and rich. I also tried a specimen style No. 9, which was equally deserving of unqualified praise." SEND FOR ILLUSTRATED CATALOGUE
