There's an old saying that "New attire worn before the New Year brings a man fine attire the whole year round." Not for this reason—but for the better one, that men's and boys' new suits and new ulsters and overcoats were never cheaper at Oak Hall than at present, it would pay to buy new clothing this week. The youths' and boys' department at Oak Hall is the busiest just now. There are many sensible reasons why parents should prefer clothing to jimcracks for Christmas presents for boys. On Thursday, Friday and Saturday of this week Oak Hall will be open and brilliantly illuminated until 9 o'clock each night.
