It has been said that our present difficulty of making ends meet is not so much the high cost of living as the cost of living high. There is some truth in that, but it is not complete or satisfactory. For the last ten years the problem of existence has become more and more difficult. There is enough for all to live in comfort, but somehow the distribution has been unequal and unfair.

THE twenty cent piece which used to be a great nuisance, is seldom seen now even in a church collection. HOCKEY.

Preston-Watford Semi-Final.

The game between the above teams on the Princess Rink, London, on Monday night was an interesting one and those who went from here on the special train to witness it were well satisfied that they received full value for their money. After Watford's defeat by the bunch collected from all parts of the province, that comprised the Chatham team, our boys did not expect another game this season, and consequently fell off from their usual good form for want of practice. Had they been in proper trim the chances are that they would have been the victors Monday night. As it was they held their opponents well in hand and at the close of the first half the score stood 2-2. Stapleford scored the first goal after about 15 minutes play. Preston was given the next by the referee although the goal-keeper claimed it had not been made. In about two minutes L. Dodds made another score for Watford, and shortly before half time was called Preston succeeded in making the tie. Up to this time Watford had by far the best of the game and had shown some remarkably good playing. In the second half Preston scored three goals in succession in two, ten and fourteen minutes. Roche then put in a nice one for Watford, and shortly before time was called Preston got another goal, making the final score 6-3. Under the circumstances our boys may justly feel satisfied with the record they made.

The line up:
WATFORD. PRESTON.
Brown.....goal.....Johnstone
C. Dodds.....point.....Bawmen
Elliot.....cover.....O. Bernhardt
Thornor.....cover.....Walker
Stapleford.....centre.....I. Bernhardt
L. Dodds.....right.....Kinder
Roche.....left.....Rahn
Referee—Harry Peel, London.

The London Free Press, speaking of the game says—"Watford has four real brilliant players. Roche, a big six foot 17-year-old lad, plays without any effort. He goes along muddled up and never seems to think, but plays a great game, checking extra well on account of his

long reach, and shooting viciously when ever given the opportunity. Thorner is a real hockey player, a fast skater and a good stick handler. L. Dodds has lots of speed and plays good hockey. Watford's defence is really composed of two men, but their whole defence is C. Dodds. He stands a couple of feet in front of the goalkeeper, and stops everything. The goalkeeper, Elliot, played nearly as much forward as defence. He wasn't needed with Dodds back there. The goalkeeper, Brown, looks like a good candidate for the hope of the white race."

Sarnia All Stars vs. Watford.

A picked team from Sarnia played a game with the Watford O.H.A. seven on Fowler's Rink, Thursday night, resulting in a score of 8-6 in favor of the home team. There was a fair sized crowd to witness the game.

CURLING.

Two rinks of local curlers went to Sarnia Wednesday and played four games which resulted in a score of 2 up for Watford. The rinks were skipped as follows:

Watford. Sarnia.
P. E. Fuller.....13 R. Galloway. 11
J. Jack.....5 W. Ellis.....12

Kadey—MacDowall

A very pretty wedding took place at the home of Mr. and Mrs. S. MacDowall, of Pakenham, on Wednesday, Feb. 8th, when their youngest daughter Carrie E. was united in the holy bonds of matrimony to Mr. J. W. Kadey, of Vancouver, B. C. Rev. Mr. Howitt of the Methodist church performed the ceremony. At 4.30 the bridal party entered the drawing-room, which was tastefully decorated for the occasion. The bride, who was given away by her father, wore a handsome gown of white silk with trimmings of allover lace and satin ribbon, and carried a bouquet of white carnations and maiden hair fern. Little Miss Eleanor Wilson, a special favorite of the bride, made a very pretty little flower girl, being gowned in white silk and carrying a basket of pink carnations and smilax. After congratulations the guests, numbering about forty, repaired to the dining room, where a sumptuous wedding supper was served. The bride's travelling dress was of navy blue serge with hat to match. The girls to the bride were numerous and costly, the groom's gift being a gold watch and fob, and to the flower girl a signet ring with monogram. The bride's gift to the groom was a pair of gold cuff-links with monogram. After

visiting at the bride's home for a few weeks Mr. and Mrs. Kadey will leave on an extended wedding tour, visiting Toronto, Chicago, Winnipeg, and other places en route, making their future home in Vancouver, B. C.
