Mrs. deGex, Mrs. Brunt, Mrs. Ginnlett and Miss Josie Callaghan attended the Women's Institute convention at Wardsville last Saturday.

The annual meeting of the Kerwood Farmers' Co-operative Co., Ltd. was held in the farmers hall on Saturday afternoon, June 21st. A goodly number of shareholders of the company were present. J. W. Johnson, president, was in the chair and took charge of the meeting. The business of the year was reviewed and discussed and plans made for the new year. Inspiring addresses were given by several prominent men and C. E. Johnson presented the auditors report which showed the Co to be in a prosperous condition. The following directors were appointed, J. W. Johnson, Jno. Guilfoyle, Jas. Dymond, A. H. McLean, Jno. N. Sullivan, Frank Hall, Geo. Denning, Wm. Johnson, W. A. Morgan, Wm. Mc Chesney and Wm. Smitherin. After the meeting the directors were entertained at the home of the manager, W. H. McLean. A very bountiful tea was served on tables prettily decorated with streamers and summer flowers, the large birthday cake bearing the Co's name and prettily decorated in pink and white adorned the centre of the table and represented the third year of the Co. Mr. Jno. W. Johnson, president of the Co. had the honor of cutting the same. Mr. Jno. N. Sullivan and Mr. Frank Hull in behalf of the directors tendered a hearty vote of thanks to the host and hostess in their kindness and the able manner in which they had been entertained and at their request the company rose and sang, For They Are Jolly Good Fellows.

The Kerwood Women's Institute was held at the home of Mrs. David Wilson on Tuesday June 18th. Mrs. Ginnlett, the new president, was in the chair, and made a few remarks on co-operation. A splendid program had been prepared, Miss Gladys Johnson and Miss Irene Eastbrook gave a very fine instrumental duet which was followed by an excellent reading "Illusions and Delusions" by Mrs. A. Edgar, Mrs. de Gex then gave an address on "Aims of the Institute" which as well as being interesting was most instructive. The meeting closed with "God Save The King," while a dainty luncheon was being served by the hostess and those in charge. A number of new members were added to the Institute.

FLAG WAVERS

(Blenheim News-Tribune)

During the American Decoration Day week end thousands of tourists from the other side visited Ontario, and cars bearing foreign markers were seen almost as frequently on our streets as were Ontario markers. Everyone is agreed that they were as welcome as any visitors could possibly be, yet there is one sort that always arouses an inclination to loyal Canadians to act in kind and be rude, namely those who pass through our land with the Stars and Stripes waving defiantly from their cars. What makes it so much worse is the knowledge that these same motorists might drive all season at home without boasting a flag on their cars, but the moment they cross into another country they must put up their colors. Their loyalty to the great republic would be just as unquestioned if they at least showed the courtesy of giving equal prominence with their own flag to the flag of which we Canadians have the best reasons in the world of being proud.
