

THE SCORER.

The score of the final tie match between Thamesville and Nelson is unavoidably held over.

UNIONVILLE v. TORONTO.

Was started early last Saturday, but not finished the same day. The home club were rather unsuccessful to begin with, and Paton made the only stand. The bowling was weak, and should have been punished at will. The Unionville men may be fairly classed as sticks. They showed no form, and simply blocked, which defence proved rather difficult to break through. Good straight bowling was no use, as they seldom hit at it and continually poked. When they did hit they usually chose the best balls and pulled them across, and Merritt, when he went on, soon got most of the wickets with slow twisters. Keefer knocked the last few down, for they couldn't even block. They fielded well, especially against Toronto's second, which produced 89. Burns and Morrison hit well and Paton came off again. The three champion pokes had been disposed of for 13 when night put a stop to the game. The visitors seemed to know less about cricket than most country clubs. Score:

BRAMPTON v. TORONTO.

Another match played at Brampton by Toronto on Saturday last. In order to make an even game Lockwood and Saunders were

brought from Guelph to assist the Brampton. The chief event of Toronto's innings was a drive by Behan, not only over the boundary fence, but into the field on the other side of the road. Score:

GUELPH v. ST. MARY'S.

Played at St. Mary's on 17th inst.; an unexpectedly easy victory for Guelph. The wicket was very uncertain, and the bowling of both teams being very good, the scoring was small, though six of the visitors got double figures. Adams, in St. Mary's 2nd innings, played a very useful innings of 30. Score:

GUELPH v. PENINSULAR.

The Guelph Club had a very enjoyable game with the Peninsulars on Friday, the 18th, and their stay in Detroit was made very pleasant by the hospitality of the members of the Peninsular Club. Unfortunately the home club could not make this a two days' match, and the game was left unfinished. Morphy, for the visitors, played two good innings, and Lockwood, Lemmon and Ogden, are all deserving of praise for their batting in the second innings. Bamford and Calvert made their respective scores very carefully; Dale knocked off his 14 without waiting to see what the bowling was like. Dale's bowling was very straight throughout, and though he pitched, as a rule, very short, his great pace carried him through, and on a rather uncertain wicket made him difficult to play. Paton got three men in his first over, but was not successful afterwards. Henry and Hutchinson bowled consistently well. Score:
