THE GODWARD ASPECT.

IT is always helpful to fix our attention on the Godward aspect of Christian work; to realize that the work of God does not mean so much man's work for God, as God's own work through man. Furthermore, in our privileged position of fellow-workers with Him, while fully recognizing all the benefits and blessings to be bestowed on a sin-stricken world through the proclamation of the Gospel and spread of the Truth, we should never lose sight of the higher aspect of our work—that of obedience to God, of bringing glory to His name, of gladdening the heart of our God and Father by living and serving as His beloved children.—*Hudson Taylor.*

A GOVERNOR'S TESTIMONY.

Here is a statement from an address of the Lieutenant Governor of New Guinea, at a public meeting in Australia: "I would venture to say that the government owes everything to missions. I wish I could make our people fully realize what the missions mean to the administration. It would have to be doubled, perhaps quadrupled, in strength if it were not for the little whitewashed houses along the coast where the missionaries live. Every penny contributed to this mission is a help to the Queens' government. Every penny spent by the missionaries saves pounds to the administration, for the mission brings peace, law and order. The missionaries help the government, and the government is proud to reciprocate the aid."

A Judson Tablet. Thanks to the generosity of Mr. John Wanamaker, a commemorative tablet was put up in the Lal Bazar Chapel, of Calcutta, India, where Dr. Adoniram Judson was baptized. It was unveiled by the Consul-General of the United States in Calcutta, and the address was delivered by our missionary, Dr. Downie. A large company was present.

NOTICE TO CIRCLES AND BANDS.

Owing to ill-health Miss Violet Elliot, the very efficient Treasurer of the Woman's Baptist Foreign Mission Society, has been compelled to give up the work for a time. Miss Eva Nasmith has very kindly consented to take charge of it, and at a meeting of the Executive Committee and of members of the Board residing in the city, was unanimously appointed Treasurer *pro tem.* All monies and communications intended for Miss Elliot should be sent to Miss Eva Nasmith, 14 Maitland St., Toronto, and they will receive prompt attention.

MISSION WOMEN IN INDIA.

The Bishop of Worcester has struck a true note in asserting the great importance of women's work in the mission field. After commenting upon the striking change in public opinion in regard to this development, he said at a recent meeting: "It is now generally perceived that there can be nothing of more transcendental importance than the development of women's work. The whole possibility of the Christian religion taking hold of such a country as India depends on getting at the hearts of the women, and that depends upon women workers. . . . The progress of religion depends on what is going on in the hearts and minds of the women, and nowhere more so than in India; and the advance of Christianity there will be very slow until a rear attack is made upon that in which the whole social system of the country is imbedded—the zenana."—*London Christian.*

A notice concerning the Annual Report of our mission in India "Among the Telegus," was overlooked last issue. The Editor of the LINK thought it so important that every Circle should have a copy, that a number of extra ones were ordered and can be obtained as soon as they arrive by sending 12 cents to the LINK address.
