1842. A Proclamation. 1886

Know Ye! Know Ye All! Men, women and children—the great staff of editors, headed by Dr. Geo. Thurber, have kept the American Agriculturist at the front for 25 years, are now re-enforced by Chester P. Dewey and Seth Green, the Fish Culturist. We propose to add to the hundreds of thousands of homes, in which the

AMERICAN AGRICULTURIST,

is read, and revered from the Atlantic to the Pacific as an old friend and counselor. We are accordingly enlarging the Hearth, Household, and Juvenile Departments, and adding other features, so that it is to be, from this time on—ard, essentially a Home Periodical, as well as being devoted to Agriculture and Horticulture. Every person who immediately sends us \$1.50, the subscription price, and 15 cents for posting book, making \$1.65 in all, will receive the AMERICAN AGRICULTURIST, for 1886, and The American Agriculturist Law Book, just published, a compendium of everyday law for Farmers, Mechanic, Business men, Manufacturers, etc., enabling every one to be his own lawyer. It is a large volume, weighing one pound and a half, and elegantly bound in cloth and gold. The American Agriculturist

WANTS THE EARTH,

to yield bigger returns by increasing its great army of readers. We distributed 60,000 Presents to those who aided in the work last year, and we are planning to give 100,000 presents to workers this year. Send for confidential terms for workers, when you forward your subscription. Subscription price \$1.50 a year; single number, 15 cts. Send 5 cents for mailing you grand double number of the American Agriculturist, just out, and sample pages with a table of contents of law book.
