**EVERY LADY DESIRES TO BE BEAUTIFUL.** Many would be more beautiful, but from some slight defect their charms are destroyed. Superfluous Hair mars more faces than in any other cause. To remove this blemish has been until recently a painful and dangerous operation, requiring much skill and practice, oftentimes resulting in horrible accidents, and everlasting scars and disfigurements. Science has at last discovered a wonderful remedy which positively removes hairy growth from the face, neck, arms, moles, or any other part of the body without the slightest pain or injury.

**DISSOLVENE** is a pure fluid endorsed by prominent physicians. It is absolutely effective, removing all trace of hair on the first application. It penetrates to the papilla and destroys the hair cell.

To apply, simply sop on with a piece of cotton, leaving from three to five minutes, then wipe off and the hair will have disappeared. No knife, no cold cream, no scars or red marks, no danger, no horrible electric needle.

\$5.00 will be paid for any trace of acid, caustic, or other poisonous substance injurious to the skin, found in this preparation. Our Circulars fully explain this wonderful discovery, and we will mail them free for the asking. Parties desiring agencies, write for terms. Price, Two Dollars per bottle, alike to all. We will mail a small sample sufficient for trial for 25 cents. **GET THE BEST.**
