

THE GOOD TEMPLAR COURSE OF STUDY.

C. S. KEITH, VICE-CHANCELLOR.

All persons wishing to take the Good Templar's Course of Study will write to the Chancellor, inclosing a money order, draft or check for \$5.50 or \$3.50 as you want cloth bound or paper books, with a registration blank signed, and you will receive books free from expense and be enrolled as a regular student. Registration blanks will be furnished by the Chancellor at any time on application to S. B. Chase, Chancellor, Easton, Pa., U. S. A.

The Good Templar Course of Study has been established by the International Supreme Lodge as part of the Good Templar system, to educate the membership to a higher and broader knowledge of the various phases and conditions of the temperance movement, so that they may be the better able to reason intelligently and work effectively in promoting it.

The full Course consists of three

years' careful reading of certain prescribed works, requiring less than one hour per day (except Sunday) during nine months in the year, and may be completed successfully without difficulty by any person of ordinary intelligence.

At the end of the Course an appropriate degree is conferred on all students who pass the prescribed examinations, to whom diplomas of graduation will be granted.

The following are the books being read this year:

SECOND YEAR'S COURSE.

Alcohol and History, by Rev. Dr. Richard Eddy.

The People vs. The Liquor Traffic, by Hon. John B. Finch.

Bread and Beer, by Mary Dwinell Chellis.

The Templar at Work, by F. J. Sibley.

THIRD YEAR'S COURSE.

The Man Wonderful, by Mary A. Allen, B.A., M.D.

Ten Lectures on Alcohol, B. W. Richardson, M.D., F.R.S.

FIRST YEAR'S COURSE—1894.

Alcohol in Science, By Wm. Hargreaves, M.D.

The Captain's Bargain, by Mrs. J. McNair Wright.

Our Wasted Resources and Worse than Wasted, by Wm. Hargreaves, M.D.

Temperance Physiology, by John Guthrie, M.D.

Talks on Temperance, by Canon Farrar, D.D.

Readings and Recitations No. 8, by Miss L. Penny.

International Good Templar.

It is not necessary for the student to take three years to complete the Course. Two of the Pioneer Class did all their reading and made out their examination papers in about four months, but they give all their time to it.

The estimate is that 40 minutes each day for nine months in the year, will enable one to complete it in three years, and we fix the three years upon this estimate.

This is truly an International Course. There are students in every portion of the world, and graduates in N.S. Wales, India, and England.

THE CELEBRATED BEAVER

Built near London, Eng., in 1834-5, and carrying with her the honor of being the first Steamer to sail to America around Cape Horn, and the first to ripple the waters of the great Pacific. The above is a faithful representation of the Beaver when last seen afloat, just previous to being wrecked at Vancouver in 1888. Bronze Medals struck from metal taken from this historic relic can be had as Premiums with this Journal.

We furnish one of these Souvenir Medals and the B. C. GOOD TEMPLAR for one year, for \$1.00. We have also arranged that those who have already subscribed can secure the Medals at 75 cts. each. These Medals have been Registered, Patented, and Copyrighted in Canada and the United States. As there is only a limited supply, we advise all those who want one to order at once. No order recognized unless accompanied by the money.
