C. E. Garst and family expected to sail for Japan in January. They have been delayed by serious illness. Hartzel has been sick nigh unto death. Against the opinion of the physicians he is coming back slowly from the gates of the grave. They will sail at the earliest day practicable.

Cor. Sec.

A cablegram has been received of the safe arrival of E. T. Williams in Shanghai.—*Apostolic Guide.*

Reputation, after all, is but the shadow cast by character; beauty, in his best and highest sense, commands all forces worth the having, in all worlds. Beauty of character includes every good which a human heart can know, and makes the woman who possesses it a princess in Israel, whose home is everybody's heart, and whose heaven is everywhere. The dullest eye may reflect this beauty; the palest cheek may bloom with it; the most unclassic lips may be wreathed with its smile of ineffable good will and heavenly joy. For beauty of character comes only from loving obedience to every known law of God in nature and in grace. Lovingly to learn, and dutifully to obey, these laws of our beneficent Father is to live.—*Francis E. Willard*

A preacher that will draw is the modern demand. The New Testament knows much of a holy preacher, of a faithful preacher, and of the elements of saintly character, but it knows no thing of a preacher that will draw. The New Testament knows something of a Church that will draw men to it by a spiritual gravitation, draw them by the holiness of their lives, by the attractive forces of godliness. A preacher that draws is generally a compound of sensation, genius with a double portion of self mixed with the least moiety—of Christ. He proposes to do by lively, taking, original ways what the Church ought to do by its inherent Christliness. The drawing preacher is an illusive and vicious substitute for the solidity and piety of the Church. A drawing preacher is the bait that a worldly Church throws out to catch the world, and to cover the appalling fact that it has no power to draw men to Christ.—*Selected.*

Yes, the new days come and the old days go,
And I the while rejoice,
For now 'tis the rose, and now 'tis the snow
And now a sweet bird voice,
And now 'tis the heart of all that is sweet,
And then the shade of care—
And then 'tis a pain like the lightning fleet,
And then God's glory there.
—*W. Brunton.*

A Cornhill Miracle.

HOW AN ESTEEMED CITIZEN REGAINED HEALTH AND STRENGTH.

MR WILLIAM MOORE'S INTERESTING STORY—HIS FRIENDS DESPAIRED OF HIS RECOVERY, BUT HE ONCE MORE MINGLED WITH THEM AS HEARTY AS OF YORE—A STORY FULL OF HOPE FOR OTHER SUFFERERS.

—*Cornwall Freeholder.*

In this age there are few persons who do not take one or more newspapers, and it may be said with equal certainty that there are few who have not read from time to time of the marvellous cures effected by the use of Dr. Williams' Pink Pills for Pale People. But reading it is one thing and believing what you read is another, and no doubt of the thousands who have read of the Hamilton miracle, the Saratoga miracle, the Calgary miracle and others that have appeared from time to time in the columns of *The Freeholder*, achieved through the agency of Dr. Williams' marvellous little pellets, many may have laid aside the paper in unbelief. While, however, these people may not believe what happened at Saratoga or in Calgary they would no doubt be convinced if one should bring to their notice a case in their own immediate vicinity where a marvellous cure was effected through the use of Dr. Williams' Pink Pills.

Every one in Cornwall knows Mr. Wm. Moore, who for years has driven the delivery wagon for Mack's Express Mills, and when it was known last winter that his health was failing rapidly, very general regret was expressed by a large section of the community. His voice grew weaker, his laugh less hearty and it appeared that consumption had marked him for a victim. At last he was forced to give up work altogether and keep within doors. So things were till late in the summer, when he commenced to get about again, and he steadily improved until he was once more able to take up his calling and work as of yore. What worked so marvellous a change? A veritable miracle it was indeed. Hearing that Dr. Williams' Pink Pills had something to do with the case a reporter of *The Freeholder* called on Mr. Moore at his comfortable home on Eight street and fortunately found him at home. Without any preliminary fencing the reporter said to Mr. Moore, "I am glad to see you so hearty and strong again; the last time I saw you it seemed as if your race was about run. I have heard that your wonderful recovery is entirely due to Dr. Williams' Pink Pills; have you any objection to tell me something about it?"

"No objection at all," said Mr. Moore. "Pink Pills did cure me and I am only too glad to let the world know all about that wonderful medicine. As you know, I was a very sick man, indeed my life was despaired of."

MY WORK IS VERY TRYING and I was forced to be out in all sorts of weather, for people must eat you know. It often happened that after lifting heavy sacks of flour or grain at the mill, I was in a profuse perspiration, and heated as I was had to drive out in the face of a fierce storm or with the thermometer ever so many degrees below zero. A man can't stand that sort of thing forever, and after a good many warnings I felt that something had really got hold of me and I was forced to quit work. I had heavy colds all the time, severe pains in the back and loins and no appetite whatever, I lost flesh continually until I was as you remember, a mere shadow of my former self, and everybody that saw me thought I was dying of consumption. I doctored for a couple of months; had poultices all over me and took a great deal of medicine. I will not say that the doctoring did no good, but it didn't do much, and I felt as if I was never going to get better. At this time my attention was directed to Dr. Williams' Pink Pills for Pale Pills by reading an account of a case that seemed little short of a miracle. A sister of my wife had used and had found them a valuable medicine and strongly urged me to try them. I must confess that I did so with some reluctance, I had tried so many medicines without benefit that I despaired of finding anything to cure me, but my case was desperate and I yielded to the solicitations of my friends and purchased a supply from Mr. E. H. Brown,

the druggist. I had not been taking them very long when I began to notice a difference in myself, and found my appetite, which had been almost entirely gone, returning. I continued to take the Pink Pills and found my strength gradually returning, something I had despaired of. In a few weeks I had so far improved that I was able to go around and was constantly gaining strength. I not only relished my food but it did me good, and I saw that I had at last hit upon the right remedy. Well, to make a long story short I continued to use Dr. Williams' Pink Pills until my old time strength had fully returned and I was able to go back to work. Since then I have been teaming every day, lifting heavy weights as usual, and I never felt better in my life. This is the whole story and you may spread it freely. I was on the brink of the grave, and you see me now. It was Dr. Williams' Pink Pills that restored me, and I know them to be a grand medicine, and would urge everybody whose symptoms are like mine to profit by my experience. My case may not be so wonderful as some I have read of, but it is a miracle enough for me, and I can never say enough about Pink Pills, they are beyond any praise I can give them. I can only

URGE ANY WHO ARE IN DOUBT

to give them a fair trial and I am confident they will never regret it."

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and the tired feeling therefrom, the after-effects of la grippe, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions, and are a specific for the troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of any nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, of Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing their trade mark and wrapper at 50c. a box or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk or by the dozen or hundred, and any dealer who offers substitutes is trying to defraud you and should be avoided. The public are also cautioned against all other so-called blood builders and nerve tonics, no matter what name may be given them. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes. Dr. Williams' Pink Pills can be had of all druggists or direct by mail from Dr. Williams' Medicine Co., from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive, as compared with other remedies or medical treatment.

OUR SPECIAL OFFERS FOR 1893

1. Anyone now a paid up subscriber, who wishes to present a friend or neighbor with the *EVANGELIST* for one year, may do so by sending us 50c.

2. Should our agents or other friends, who are soliciting subscriptions, find any brethren or sisters who are anxious to have the *EVANGELIST*, but not able to pay for it, if the names and addresses of such persons are sent to us, we shall put them on our complimentary list, and give them the paper one year for nothing.

3. By the kindness of J. M. Warner, proprietor of the Hamilton Carpet Sweeper Manufacturing House, we are able to offer to anyone sending ten new yearly subscriptions to the *EVANGELIST* a **Grand Rapids Carpet Sweeper**, the retail price of which is \$3.50. This offer will hold good throughout the year.

4. We have great pleasure in making the following offer to all subscribers to the *EVANGELIST*, old and new: For \$1.25 we shall give the *EVANGELIST* for one year, and a copy of "*On the Rock; or Truth Stranger than Fiction.*" "*On the Rock*" until recently was only issued in cloth binding, and sold for \$1.50. The edition we offer is bound in paper—good, tough paper, though—and sells for 40 cents a single copy. "*On the Rock*" is one of the most popular and most useful books ever written by a Disciple. This is an opportunity to procure it for a trifle.

5. We are very anxious that "*On the Rock*" should have a large circulation in Canada this year. It is admirably adapted to the religious situation in this country at the present juncture. We should like to place a copy of it in every home the *EVANGELIST* visits, and in every family in the brotherhood in our land, and we are confident that it would be of great benefit to the cause of Christ were it widely distributed among our religious neighbors. To further such distribution we make this offer: If any paid-up subscriber will send us 50 cts. with the name and address of some person, not a Disciple, we shall send that person the *EVANGELIST* for three months, and a copy of "*On the Rock.*"
