BRANFORD

STONE WARE WORKS.

The manufacturing of Stone Ware is one of the oldest and most important interests of Brantford. Being established in the Spring of 1842, it has been in constant operation with the exception of a few months during the winter of 1857-8, and again during the process of re-building after the fire of the winter of 1872. None but the best sample of New Jersey is used in the manufacture of this ware, an assortment of which is kept constantly on hand to supply customers. Orders by mail respectfully solicited, and will receive prompt attention.

BALDNESS!

Neither gasoline, vasoline, carboline, nor Allen's, Ayer's, or Hall's hair restorer have produced luxurious hair on bald heads. That great discovery is due to Mr. Winter's Oily, or King St. East (late 12 Church St.), as can be testified to by hundreds of living witnesses in this City and Province. He challenges all the so-called restorers to produce a like result. SEND FOR CIRCULARS.
