The Antidote to Alcohol found at Last!

A NEW DEPARTURE

**The Father Mathew Remedy**

Is a certain and speedy cure for Intemperance and destroys all appetite for alcoholic liquor. The day after a debauch, or any intemperance indulgence, a single teaspoonfull will remove all mental and physical depression.

It also cures all kinds of FEVER, DYSPEPSIA, and TORPIDITY OF THE LIVER when they arise from other causes than intemperance. It is the most powerful and wholesome tonic ever used.

When the disease is not strong one bottle is enough, but the worst case of alcoholism tremens do not require more than three bottles for a radical cure.

If you cannot get from your druggist the pamphlet on Alcohol its effect on the Human Body, and its removal as a Disease, it will be sent free on writing to:

**DONALD KENNEDY**

Of Roxbury, Mass., says

My Medical Discovery seldom takes hold of two people alike! Why? Because no two people have the same weak spot. Beginning at the stomach it goes searching through the body for any hidden humor. Nine times out of ten, inward humor makes the weak spot. Perhaps its only a little sediment left on a nerve or in a gland, the Medical Discovery slides it right along, and you find quick happiness from the first battle. Perhaps its a big sediment on an open sore well settled somewhere, ready to fight. The Medical Discovery begins the fight, and you think it pretty hard, but soon you thank me for making something that has reached your weak spot. Write me if you want to know more about it.

SCHOOL FURNITURE.

The Bennett Furnishing Co., of London Ont. make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a member of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a or nonoffice in Glasgow, Scotland, and we are now engaged manufacturing pews for new churches in that country and Ireland.
