Our long experience has enabled us to put the Canadian Steel Airmotor at the head of the procession. All others follow.

**Attention!!**

Times are hard, and we realize that what the average farmer desires is a new Upright Piano of great durability and fine tone but with the least possible expense upon the outside case. We have placed the

or we will give ample time on payment of interest at six per cent.

There is no humbug about the Piano or about the price. The quality of the Piano is undoubted and the price is fixed. It is the same to the "cash man" as to the "time man," except that the latter pays small interest. This does away with the humbug of catalogue prices.

The Piano is made in SOLID Walnut oil finish.

\* IF you want a bargain in a second-hand Piano be sure to write us. We have first-class uprights at \$200 and \$225. We have good Square Pianos from \$75 to \$200. Liberal terms of payment.

Writing letters isn't a trouble to us, so write and ask information.

Whether you want a grand Piano at \$1,000 or a practice Piano, be sure to write US before deciding elsewhere.
