

MISSIONARIES WANTED.

Canadian
 The Mission Board having acceded to the proposal of the Canada Land and Investment Company, to unite with them in supporting a Missionary in the Township of Minden and parts adjacent, in the County of Peterborough, an active Missionary is required to enter on the duties without delay. Stipend \$600, with a residence.

The Mission Board not being able to render the members of the Church at Saulte St. Marie sufficient aid to enable them to secure the services of a Missionary, the Bishop has expressed his readiness to sanction a proposal made by several heads of families at that place, having sons to educate, viz., that the Clergyman should hold the Mission in connection with a select school. The situation is represented as one worthy of the consideration of a Clergyman with a family, the place being extremely healthy, and the means of living very moderate.

Applications addressed to the Hon. Secretary of the Church Society

EDITORIAL.

We beg to remind our patrons that this number closes the second volume of the Chronicle, and as there is a considerable sum in arrears, we should be thankful to be enabled to settle with the Publisher. It is our intention to address a circular to our friends, respecting the arrangements we purpose to make for the ensuing volume, and, if duly supported, we hope to make it more interesting and useful than it has been.

DIED.

MACDONELL.—At his residence, on Bathurst Street, Toronto, on the 30th ulto., in the 52nd year of his age, James Macdonell, Esquire, second son of the late Hon. Alexander Macdonell, for many years a member of the Legislative Council of the Provinces, and one of its earliest settlers.

ROBINSON.—In this City, on Monday, the 20th Feb., after a short but painful illness, which she bore with great fortitude and christian resignation, Eliza, beloved wife of the Hon. William Robinson, senior Commissioner of the Canada Company. The deceased was a daughter of the late William Jarvis, Esquire, who served with distinction in the Revolutionary War with America, under the late Col. Simcoe, and on that officers appointment to the Government of Upper Canada, at the division of the Province of Quebec, was nominated to the office of Secretary to the Province. The sudden death of this estimable lady has caused a gloom not only over the extended circle of her own relatives and friends, by whom she was greatly beloved, but among all classes to whom she was endeared, by her amiability and benevolence.
