**THE WHITE**

Sewing Machine is the best machine to buy.  
There is no exaggeration in the following  
statements.

EXTREMELY SIMPLE.—No eye to thread  
but the eye of the needle.

LIGHT RUNNING.—It can be run with a  
single thread of spool cotton in place of the  
leather belt.

You can thread the shuttle with your eyes  
but.

You can set the needle without looking at  
it.

When once started it will wind the bob-  
bin like a spool, without a hand to it.

The belt is put on by simply laying it  
against the wheel under a spring; it adjusts  
itself.

The most convenient machine for those  
with sight or the blind. Used in the Asy-  
lum for the Blind at Brantford.

A great variety of convenient attachments  
with the WHITE.

Be sure you see the WHITE before pur-  
chasing anywhere.
