Most heartily do we join in the prayer contained in this portion of the service appointed for the day.

This corner-stone of the foundation we lay in the Name of the Father, and of the Son, and of the Holy Ghost; and may God Almighty grant that the building thus begun in his name may be happily caried on to its complete termination, without injury or accident, it may be consecrated and set apart for Him and his service, to the honour of his Name, and the salvation of the souls of men, from generation to generation; through Jesus Christ our Lord. FRIGHTFUL ACCIDENT AT BLACKTRIARS BRIDGE.—On the evening of the 22d ultimo, a most melancholy accident oc-curred at Blackfriars bridge, London, by the breaking down of the floating steambost pier. A considerable number of men women, and children had assembled to witness the Bankside Regatta, when suddenly the frail structure gave way, and pre-cipitated about twenty persons into the water, which was the about ten feet deep. The confusion was at once indescribable is mass of haman beings struggling together, each clinging to the other, and many of them sinking to rise no more.
