DANIEL & BOYD, 37 MARKET SQUARE, ST. JOHN

Consumption and Wasting Diseases.

L. de Bremon, M.D., Knight of Legion Honor, in his work on Consumption, says:

Dr. CHERVILLE, of Paris, never mixes Iron with either of the Alkaline, Lime and Soda Hypophosphite Salts. He considers the mixture of Hypophosphites objectionable, preferring in fact the Salts separate, giving them alternately according to the Physiogenic or Pathogenic symptoms produced by either. He also says that the Hypophosphite Salts as sold are generally impure.

EAGAR'S PHOSPHOLEINE

contains PURE HYPOPHOSPHITES with NORWAY GOD LIVER OIL only. It is free from Iron or any other chemical which will account for its superiority to all other preparations offered for Wasting Diseases. Read below the certificate of Dr. Slayter, DATED JANUARY 1881.

The proprietor also has certificates from leading physicians in Toronto, St. John, Halifax, &c., of equally late date, proving conclusively that EAGAR'S Phospholeine or Cream is the greatest preparation now in use. Second Certificate from Dr. Slayter: Halifax, Jan., 1881.

Since giving you my last certificate I have had many opportunities of further testing your Cod Liver Oil Cream and as well of comparing its action with the EMULSIONS AND PREPARATIONS OF OIL IN THE MARKET. I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oil being of the very finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in stating that where Oil is indicated EAGAR'S CREAM WILL BE FOUND TO BE EVERYTHING THAT IS CLAIMED FOR IT BY ITS PROPRIETOR.
