PHOSPHOLEINE. All who have used it join in praise of it, and herald the facts of their cures. The Train Despatcher at Vauceboro, writes: M. R. Eagar, Esq.—Dear Sir,—My wife, Laura A. Finson, was taken sick early this year and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood, and great weakness of the chest, general prostration and clammy night sweats, and continued to grow worse until I was recommended to procure for her some bottles of Eagar's Phospholeine and WINE OF RENNET. This I did; and after using about five bottles of the PHOSPHOLEINE, taking a teaspoonful at a time in a wineglass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your WINE OF RENNET, she became thoroughly well, her improvement commencing after the first half bottle had been taken. She can now superintend her household duties without inconvenience, eats and sleeps well, and every symptom of consumption has vanished. I have to thank your medicine for her restoration to health. WALTER R. FINSON, Vauceboro, Maine, U. S. The statement of facts contained in the above certificate is in all respects accurate. I feel assured that I owe my cure to your medicines. LAURA A. FINSON.
