

TEMPERANCE.*(Temperance Chronicle C. E. T. S.)*

In the last week in July the annual meeting in connection with the Rescue Home of the London Police Court Mission of the C.E.T.S. was held at the Church House, Ealing, where the home is situated, for the use of men working in the labor yard. Sir John Bridge, Chief Metropolitan Magistrate, presided, and paid a very high tribute to the work of the Mission, affirming that it was his belief that no charitable mission did better work, gave such valuable assistance to the magistrates, and prevented so much crime. He believed that no one was so good as to have no evil in him, and none so bad as to have no good in him. The mission helped to bring out whatever good there was in a man. The meeting was addressed by the Rev. Dennis Hird, diocesan secretary, who read a satisfactory report of the year's work in the home; by the vicar of Ealing, the Rev. Dr. Oliver, chairman of the London board; and by the Rev. W. G. Morecom, vice-chairman. On Friday a drawing-room meeting, in aid of the C.E.T.S. Police Court Mission, assembled in the house of Dr. Hoskin, J.P., in the Amherst road, Hackney. The speakers were Lady Frederick Cavendish, the Bishop of Bedford, the Rev. W. G. Morecom, the Rev. Dennis Hird, Mr. Nelson, police court missionary, and Dr. Hoskin, who presided. The Bishop of Bedford said he hoped the time was not far distant when East-end would be provided with a labor home, such as that at Ealing. It was much needed in that part of London.

The Moderation Society of the city of New York provides fountains of cold drinking water, from which 20,000 drinks are drawn daily in hot weather; traverses the thickly settled quarters with waggons distributing water and ice free to those who will take, and when occasion offers distributes flowers in like neighborhoods to the women and children. Aid in the beautiful work is received from various parts of the country, the Society receiving car loads of roses and other flowers from California.

The fourth International Congress for the Suppression of the Abuse of Alcoholic Drinks was held at the Hague on August 16 and two following days. The members of the Congress, already some 300 in number, were officially received in the Rathaus by the Burgomaster on August 15, at 8. p.m. Among the subjects discussed are "Alcohol in Relation to Physiology and Hygiene," and the abatement of the drink evil by voluntary effort and by compulsory legislation.

**A LAKEPORT MIRACLE.****AN EXPERIENCE FEW COULD PASS THROUGH AND SURVIVE.**

Broken Down by Congestion of the Lungs and La Grippe—Weary Months of Sleepless Suffering—A Narrow Escape.
From the Colborne Enterprise.

The village of Lakeport, in the county of Northumberland, is beautifully situated on the shores of Lake Ontario, two and a half miles from the town of Colborne. The location of the village is picturesque and healthy, and as a rule the inhabitants of Lakeport are a vigorous people, with very little troubled sickness. But there are exceptions, and even in this healthy locality occasional cases of suffering and long months of weary sickness are found. Among those thus unfortunate was Mrs. Milo Haight, who for nearly two years was a great sufferer, sickness having made such inroads in her constitution that she was almost a complete wreck physically. Although a young woman, her system had run down until life had become almost a burden. She had consulted physicians and tried many remedies, but no relief was found. Her attention was finally directed to Dr. Williams' Pink Pills for Pale People, and having read of the many wonderful cures accomplished through the use of this great life-saving remedy, was induced to give them a trial. The result exceeded her fondest expectations, and before long she was restored to her former health and strength. Having heard of this case the *Enterprise* reporter called on Mrs. Haight, and enquired into the facts, which are given almost verbatim in the following statement: "I was ill for about twelve weeks in the latter part of 1891, while at home with my father in Trenton. I came to Lakeport, but was here only a few weeks when I was taken with inflammation of the bowels. After I sufficiently recovered I returned to Trenton. I had not been at home long when I was attacked with la grippe, which nearly brought me to death's door. A physician was called who said my system was badly run down. This was in February, 1892, and I was under his care for some twelve weeks before I was able to get out of doors. When I was taken down congestion of the lungs and spine set in, and then the trouble went to my throat, and lastly to my ear, causing an abscess which gathered and broke three times, leaving me quite deaf. I suffered the most excruciating pains, sleep left me, and I could not rest. I suffered continually with cold chills and cold hands and feet and severe headaches. The doctor gave me no hope of recovery. As soon as I was able I returned to Lakeport, but did not improve in health, and I felt that death would be a relief. In June, 1892, I began using Dr. Williams' Pink Pills, and had not been taking them long when the chills left me, my appetite improved, and sleep returned, something I had not enjoyed for many long weary months. After

using the Pink Pills for some weeks I began to feel as though I could stand almost anything. In the month of June, 1892, I weighed 114 pounds, and in April, 1893, I weighed 151 pounds, my greatest weight. I took the Pink Pills for about four months, but I now resort to them for any trouble, even a slight headache. I truly believe that Dr. Williams' Pink Pills are worth their weight in gold, and I owe my health and strength, if not my life, to them. My eyes were weak at the time I was sick, but I have had no such experience since I began the use of Pink Pills. I take great pleasure in thus making known my case, hoping that some fellow creature may be benefited thereby. I allow no opportunity to pass without speaking well of Dr. Williams' Pink Pills, and I know of several persons who began their use on my recommendation and were greatly benefited by them. My father, who is some seventy years of age, is receiving great help from their use. I can truthfully say I cannot speak too highly of Pink Pills, and I would not be without them in the house under any circumstances."

Mrs. Haight's husband is also taking Pink Pills for rheumatism, and being present during the interview, gave his testimony to their benefit to him. Mrs. Haight's present appearance indicates the best of health, and no one who did not know of her long suffering would imagine from her present appearance that she had ever been sick. Her case is one that cannot but give the strongest hope to other sufferers that they too may be cured by Dr. Williams' wonderful Pink Pills, whose action upon the human system seems almost magical.

Dr. Williams' Pink Pills for Pale People are manufactured by the Dr. Williams' Medicine Company, of Brockville, Ont., and Schenectady, N.Y. Pink Pills are not a patent medicine but a prescription. An analysis of their properties show that these pills are an unfailing specific for all diseases arising from an impoverished condition of the blood, or from an impairment of the nervous system, such as loss of appetite, depression of spirits, anemia, chlorosis, or green sickness, general muscular weakness, dizziness, loss of memory, locomotor ataxia, paralysis, sciatica, rheumatism, St. Vitus' dance, the after effects of la grippe, scrofula, chronic erysipelas, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, suppressions, and all forms of female weakness, building anew the blood and restoring the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature. These pills are not a purgative medicine. They contain only life-giving properties, and nothing that could injure the most delicate system.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, (printed in red ink.) Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred,

and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. Ask your dealers for Dr. Williams' Pink Pills for Pale People and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company from either address, at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.
