

YOU MAY SEE ANY DAY

On the piazzas of the hotels in the vicinity of Medical Lake groups of rheumatics and persons suffering from all kinds of diseases, and if you stay for a week or two you will see them drop their crutches and go home rejoicing. Hundreds of testimonials can be seen from persons of world-wide reputation who have been cured.

The only remedies used to produce these marvellous results are the free use of Medical Lake Mineral Spring Water—drinking it and taking the hot baths. By a new process of evaporation a dry powder is obtained, called Medical Lake Salts, which can be used with the same wonderful result at your own home.

PERSONS WHO HAVE BEEN CURED BY

Cure all diseases arising from acidity of the stomach or blood—Rheumatism, Paralysis, Kidney Troubles, Dyspepsia, Catarrh, Fever and Inflammation. No matter what your complaint may be, try the merits of Medical Lake Salts.

Medical Lake Salts act directly on the digestive organs of the stomach, liver and kidneys. With a perfect digestion the blood is pure and strong, and with strong and pure blood no disease can exist.

MEDICAL LAKE MINERAL SPRING WATER AND SALTS

Professor Lassing, of the New York *Analyst*, says:—"I have examined the powder called Medical Lake Salts, and find them to contain all the medicinal virtues of the Lake Water, and when dissolved give the same results; therefore, as they are more easy to transport and keep, and also cheaper, they answer every purpose."

It also cures Salt Rheum, Eczema, and all other skin diseases. A one dollar packet of Medical Lake Salts will medicate 25 gallons of water just the same as if you went to the lake yourself. Send for a packet of Medical Lake Salts, with full directions and testimonials, to **ALFRED BROWN & CO.**, 57 King St. W., Toronto, General Agents for Canada and Great Britain.

"Public School Temperance."

The attention of teachers is respectfully called to this new work, designed for use in the Public Schools. It is placed on the programme of studies under the new regulations and is authorized by the Minister. It will be used in three forms. The object of the book is to impart to our youth information concerning the properties and effects of alcohol, with a view to impressing them with the danger and the needlessness of its use.

The author of the work is the celebrated Dr. Richardson, of England; and, this book, though somewhat less bulky, being printed in smaller type, contains the whole of the matter of the English edition, slightly rearranged, as to some of the chapters to suit the requirements of our Public School work. It is, however, but half the price of the English edition.

The subject is treated in a strictly scientific manner, the celebrated author, than whom there is no better authority on this subject, using the researches of a lifetime in setting forth the facts of which the book discourses. At the same time the style is exceedingly simple; the lessons are short and accompanied by appropriate questions, and the language is adapted to the comprehension of all who may be required to use the book. Price 25 cents, at all bookstores.
